12 September 1975

SUBJECT : Responses to SSC Request for Additional Information on Project ZRRIFLE

REFERENCE: William G. Miller Letter to Mr. Walt Elder, 3 September 1975

Response:

1. a. The cryptonym <sup>02</sup> ~~FUJUBE~~ is apparently a garble and <sup>02</sup> ~~FUJURE~~ is probably meant instead. This is a cryptonym belonging to LA Division assigned to a U.S. citizen formerly of operational interest to us. His true name cannot be divulged because, according to our records, he still resides abroad in the country against which he was targeted as a reporting source. Revelation of his identity and of his past association with us would be dangerous to his security.

b. The cryptonym KUTUBE referred to FI Staff, now known as the Operations Staff. <sup>02</sup>

c. The cryptonym <sup>06</sup> ~~DM~~LIVID was assigned to a Yugoslav <sup>05</sup> ~~Major~~, Djuroje Djurovic }

2. a. <sup>U</sup> ~~LAW~~RICLE was an action indicator for FI/D.

b. Monroe B. ROZENY, Ed JOUVENOY, Wanda CRICKARD and James N. RABNEY are all pseudonyms. They were assigned respectively to:

S E C R E T

-2-

3. Mr. Harvey was issued the pseudonym Daniel M. PRESLAND in 1956 and he used this pseudonym until he retired in 1967. This is the only pseudonym he used in connection with the ZRRIFLE Project and Cuban operations. Mr. Harvey was issued the alias William WALKER in May 1962 and he continued to use it while he was Chief of the Cuban operations until he was reassigned in June 1963. There is no indication in the file that Mr. Harvey used this alias in connection with the ZRRIFLE Project. There is no record that Mr. Harvey was ever issued or used a cryptonym.

Remarks: We have searched documents available to us in Headquarters without success. There may be some chronos at records center that contain additional info but that would require several days. Suggest Review Staff talk to Charlie and determine if he can remember what uses he made of the alias documentation and if he wrote M/R's after each use.

(It would be helpful if Review Staff could provide deadline dates for inquiries. This was received in A.M. 9 Sept with no deadline and at 1530 we were told deadline was COB 9 Sept)
