On 6/9/60, MM T-1 reported receiving information from a usually reliable source that CARLOS GRANA, Miami, had stated flights were being made from Florida to Cuba for the purpose of dropping bundles of newspapers "Patria" and "Cuba Libre." GRANA interviewed by FBI, Miami, and stated he could furnish no information re allegation, although he had heard rumors that such flights had been made in 1959. Source at Colonial Press, Miami, reports "Cuba Libre" still being edited by JOSE ACOSTA. Three thousand copies of newspaper being published weekly but ACOSTA has requested reduction to 2,000 copies. Source states ACOSTA destroys approximately half of weekly printing, and ACOSTA believed to be making a living from funds which he solicits for the purpose of printing newspaper. Summaries of typical articles set forth.

ANTI-FIDEL CASTRO ACTIVITIES
IS - CUBA

Enclosed for each office is a copy of CIA letter dated 6-9-60 captioned "Cuban Counterrevolutionary Activities in Miami." ~~(S)~~ (U)

Promptly interview Carlos Grana. Patria Libre, Cuba Libre and Jose Acosta are subjects of pending investigations in your office. Pertinent data developed concerning alleged plane flights from Florida to Cuba should be made available to INS, Customs and FAA, locally. Determine from Grana the basis for his allegations. Pin him down particularly concerning his belief that counterrevolution will begin in Cuba in about June, 1960. Elicit from him any concrete data he may have concerning the alleged clandestine air base being prepared in Yucatan Province, Mexico. ~~(S)~~ (U)

No identifiable information concerning Grana was located in Bufiles on the basis of information furnished. If Grana is active in anti-Castro activities, consideration should be given to instituting a separate investigation of him to determine if he is working in behalf of a foreign principal and to determine the nature and extent of his involvement in anti-Castro activities.

New York check with Rafael Diaz Balart for any substantiation of Grana's data concerning him. ~~(S)~~ (U)

Mexico promptly advise the Bureau if the event there is any substantiation to the report that a clandestine air base is being prepared somewhere in Yucatan Province. It is noted that previous inquiries by your office have failed to substantiate similar allegations. ~~(S)~~ (U)

NOTE: CIA furnished information originating with [Carlos ~~(S)~~ (U)] Grana, Cuban exile in Miami. He allegedly stated that small planes make two or three trips weekly from Florida to Cuba to drop bundles of Cuba and Patria Libre, anti-Castro publications. Jose Acosta reportedly is connected with these publications. [Grana] also stated that Diaz Barlart (with whom ~~(S)~~ (U) NY has been in contact) was a main figure in the counter-revolutionary army. [Grana] also believes that counterrevolution will begin in June, 1960, and that a clandestine air base is being prepared in Mexico. We should interview [Grana.] ~~(S)~~ (U)
