NOTE: Central Intelligence Agency (CIA) letter 6-22-61 advises a Swedish security service recently requested a file check on subject who is an applicant for "a position of trust" in Sweden. CIA advises that [the Swedish official] in asking for information on subject remarked, without elaboration, that subject is possibly a communist.

Subject was born in England but is a U.S. citizen. We conducted an investigation of subject in 1952-1953 which disclosed subject was a subscriber to the Soviet "Information Bulletin" in 1949, subscribed to the communist newspaper the "Daily Worker" in 1949 and 1950, was a member of the Miami Council of American-Soviet Friendship in 1946, registered to vote for the American Labor Party in New York City, in 1950, and one Gene De Castro signed a communication to Judge Medina urging a mistrial of the eleven Communist Party leaders in 1949. CIA desires to furnish this information to a Swedish security service. We have no objection. Subject has been in Europe since the latter part of 1950 where he has been principally engaged as a student and a teacher. Letter classified "Secret" since it authorizes the passage of information to a foreign intelligence
