unless they setting us up... I should
Buy a Harbour what kind of flak we could take in a
confrontation. He said go on TV to explain it & you
would get overwhelming support. I think you can get
an agreement, based on your Subj long outgo.

P: It would put some motion on bonds.

K: I think this is a way we can do it.

P: I liked George's comment is about how cumbersome
this is in F.P.

K: The way we mean is to ^{keep} have a Robin dinner as
much a working dinner as possible - even if it hurts
Wax. K's feelings. The essence of working dinner
is only beer & lunch plus long.

P: OK - about 32. No french leeks.

K: Robin will want assurance you want press him on
Seymour at Geneva.

P: We can't promise that.

K: They will say they be pressed at Geneva anyway so why make
deal beforehand. You could say it to depress a Swiss.

One other point - on Saw intercepts. V/V wants to get it out.
We would have an explanation, arguments about why we having
doubts w/ an outfit like this, and we are doing it in 5 votes.

P: There are 2 parts. ^{right} ~~right~~ ^{right} ~~right~~ exists there be something in report

K: That is VP missing, with a cross

P: Then it's a matter of classification & we can decide whether
is not to declassify it.

They could tell on intercepts in a report - and declassify
statement is.

In our classified report, take both could be all.

K: The VP both be slowed down on this. This would be bad
from F.P. & pol. point of view.

It is not ~~so~~ necessary for you to intervene at this
point.

(Discussion of a classification of Rusk Report
& what has been going on.

P. I concerned about Church trying to sensationalize by focusing on a assassination. From what I told we make some clumsy attempts. I'm not what I see, if he probes it, it ^{could} make Kennedy look bad. But at same time, it is obvious that it makes L.A. look bad.

K. I don't think you should do it. You could let Church probe you with it - say it 15 yrs ago + why go back.

P. No, I wouldn't get into it.

K. I think of all ever known, Kennedy + Johnson did far more than Nixon. Bill Sullivan told me things Kennedy did w/ c. F. B. I aren't to be heard.

I think you could say it could not happen now.

P. Have to be careful cause Church could write it into law.

K. Not since I been here has there been anything even that far. (Described killing of Chalon C. G. S.)

This is sort of phenomenon of Kennedy's.

S. You will get assassination data.

P. I don't say I got it I have looked at it, it 15 yrs ago, I don't think we should go back. If I start looking it, Kennedy will be unhappy.

K. I think it best to cover up a little. (Kennedy)

P. I not trying to I just guess my predecessor. ^{Church} Kennedy wants to, let him - as Kennedy's will get him.

That Sophie antill was fascinating.

K. Your position is looking better & better. books of a piece w/ Mayaguez, etc of your acting decisively + doing what is right whether it popular or not.
I think
