VIADUCT
ESPIONAGE - R

Reurairtel 11/7/63 enclosing MI-5 Report Number 27 entitled "Personalities in Radio Moscow Known to Viaduct." Enclosed are three copies of self-explanatory letterhead memorandum dated 8/5/64 at Washington, D. C., and three copies of a photograph of six personalities associated with Radio Moscow as of 6/60. Furnish two copies of enclosed letterhead and photograph to your sources and request that Viaduct be interrogated in accordance with requests in the letterhead. (S)

For your information not to be disseminated outside your office, Lee Harvey Oswald is believed to have participated in a taped interview thought to have been broadcast by Radio Moscow on a Sunday in late 1959. Documents in Oswald's handwriting made reference to such broadcast in which Oswald claimed to have spoken of his experiences as a tourist in Moscow. The name of Lev Setyaev, his office telephone number and his residence address, as well as the inscription "Radio Moscow," were found in Oswald's address book and on a slip of paper in Oswald's wallet. Lev Setyaev is believed to be identical with person of same name who is referred to in the enclosed letterhead. In furnishing results of requested interrogation of Viaduct, furnish sufficient copies for inclusion in Bureau's file on Oswald (Bufile 105-82555) and in Dallas' file of same case (DLfile 100-10461).

For Dallas there is enclosed a copy of MI-5's Report Number 27 referred to herein. For your information Viaduct is a low-level KGB agent who defected to the British in 9/63. His bona-fides have not been established, and at the present time, he is suspected to be furnishing disinformation to the British. For Dallas' information this communication relates to Bureau airtel and radiogram to Anchorage dated 7/29 and 7/31/64, respectively.

* RE: VIADUCT (u) SECRET

Annette Zugoff was reportedly taken to the Soviet Union by her father in 1934 and has since acquired Soviet citizenship. She is not believed to have returned to the United States. (u)

Annette Zugoff has been employed for approximately 20 years as an announcer by Radio Moscow. She is believed to have been married first to one Goldshteyn (Goldstein) by whom she has a daughter, Marina, currently aged 22 - 23. She was reportedly next married to one Henkin, also known as Khenkin, who for a time was employed, as Viaduct indicates, as an announcer and writer at Radio Moscow. Annette Zugoff Setyaeva has a son, Kostia Henkin, currently aged 8 - 9. Her daughter, Marina, according to Mrs. Rahn, is married. (u)

Annette Zugoff is currently married to Lev or Leo Setyaev who is said to be an announcer at Radio Moscow. (u)

It would be appreciated if the enclosed photograph be displayed to Viaduct to determine if he can identify the personalities depicted therein and if he can furnish any further biographic data concerning them. We would be interested in having Viaduct's comments concerning the age of the photograph and his views as to the quality of the picture. We are particularly interested in developing any information in Viaduct's possession concerning Annette Zugoff's first husband, Goldshteyn (Goldstein), and her daughter Marina. We would be interested in knowing Goldshteyn's occupation and are desirous of obtaining a physical description of Annette Setyaeva's daughter, Marina, and any available information as to the identity of her husband. (S)

We would also appreciate any biographic data, including descriptive material, that Viaduct may be able to furnish concerning Lev or Leo Setyaev. (S)

NOTE:

Classified "Secret" as MI-5 has so classified Viaduct's revelations. (S)
