TOTAL DENIAL

ReBuairtel 3/23/64, concerning ANGEL PEREZ DELGADO,  
and WFO tel call to Bureau 3/24/64.

On 3/24/64, GRI PARMA, Accountant, Commissioned  
Officers Mess-Open, Officers Club, Washington Navy Yard Annex,  
advised SA JOHN G. GOEDTEL that ANGEL PEREZ commenced  
employment 4/5/63, as bar boy, part time waiter and storekeeper.  
PEREZ became full time bartender first week of July, 1963.  
(CIA memo check was 7/5/63). A review of time cards for PEREZ  
revealed that PEREZ was working each day from 11 a.m. to 3 p.m.  
and from 4 - 4:30 p.m. to 12:00 midnight Monday through  
Saturday with Sunday off during the weeks ending 9/21/63, 9/28/63,  
10/5/63, and 10/10/63.

PARMA said PEREZ was hired by LOUIS RUSSO, 402  
Crosswoods Drive, Falls Church, Va. RUSSO was former manager,  
was terminated 12/18/63, because of certain financial discrepancies  
in club accounts. PARMA believed RUSSO was subject of an FBI  
investigation.

PARMA said that on occasion a man might be paid while  
not actually employed, but the time card is generally a record that  
the person was actually there at the time.

PEREZ was terminated 3/17/64, by the current manager,  
CARL E. TORD who replaced RUSSO. According to PARMA, the  
precise reason has not been publicized, but he understood there  
was a personality clash between TORD and PEREZ.

PANHA stated PEREZ was well liked and the only honest bartender to be employed there in some time. PEREZ's shortages were at a minimum and his account cards were always neat and accurate. PANHA said PEREZ is now employed at Andrews AFB as a bartender.

On 3/24/64, INS investigator WILLIAM B. DINWIDDIE, JR., District Office, INS advised SA COBETEL that he is frequently in contact with PEREZ. PEREZ is a Cuban parolee in the U.S. in involuntary departure status. According to DINWIDDIE, he has no knowledge of any travel outside the U.S. by PEREZ since latter's return to U.S. DINWIDDIE advised that INS file A 10271132 for PEREZ ~~might~~ would show any travel since PEREZ would have had to apply for permission to leave and reenter the US.

On 3/24/64, INS file A 10271132 at the District Office of INS was reviewed by SA JAMES F. MORRISSEY. No travel outside the US was indicated for PEREZ since his current arrival in the US on 1/23/63. He was repatriated to the Washington, D.C. INS on 2/25/63.

Memo in the file dated 5/1/63, indicated that PEREZ had been developed as a confidential informant of INS and would be of value to that service.

Central INS records contain no travel information for PEREZ.

Interview of PEREZ will be held in abeyance pending results of Bureau check with CIA requested in retel call, and consideration of above information in view of the proposed purpose of the interview.
