On 4/22/67 at 3:50 p.m. Legat, Mexico City, called with regard to cablegram he sent 4/21/67 in captioned matter. Recab stated that newspaper in Mexico City reported arrival of New Orleans District Attorney James Garrison in Mexico and Legat's source (in Mexican Federal Security Police) requested any information indicating Garrison intended to investigate captioned matter in Mexico and reasons for Garrison's presence in Mexico.

When Legat called, he stated that newspapers are printing conflicting stories. He said some say Garrison is in Mexico while others say he is in New Orleans. Legat requested to be advised if our New Orleans Office could state that Garrison was actually in New Orleans which would solve many problems since Legat is under terrific pressure from his sources. He requested to be telephonically advised concerning this matter.

New Orleans was telephonically contacted and we were advised that the news articles in New Orleans reported rumors that Garrison was in Mexico. However, this was denied by Garrison's financial backer Willard Robertson who apparently is in Acapulco, Mexico. It was further denied by Garrison's office. This information was furnished to the Legal Attache telephonically with instructions that he should be meticulously careful to avoid being involved in any facets of the Garrison investigation.
