tinge to its editorial policies.

LEE HARVEY OSWALD

The informant said he never heard of LEE HARVEY OSWALD prior to the assassination of President JOHN F. KENNEDY. He said that it is certain that OSWALD did not reside or pay any visits to the northern border area of Sonora around Cananea.

GUSTAVO DIAZ ORDAZ

The informant advised that GUSTAVO DIAZ ORDAZ cancelled his trip to Nogales and Cananea, and Agua Prieta, ostensibly due to lack of time. The informant said the real reason for this cancellation is that the people closest to the Presidential candidate feared he would encounter a large amount of opposition and even violence in Cananea and they so advised him to cancel his visit. He said that this was bad advice on their part because nothing of this sort would have happened in the Cananea area.

OTHER 4

The informant advised that he has never heard of anyone by this name and could furnish no information concerning such an individual.
