informants be fully protected especially since they are the only source which received the information from ELIZABETH CATLETT MORA, REVA FRANK BERNSTEIN, and JOSEPH BERNSTEIN, who are not known to have discussed the information in the letterhead memorandum with anyone else. Under the circumstances, the protection of these informants is of paramount interest to the continued operations of the Bureau in Mexico, and for this reason the letterhead memorandum is classified "SECRET."

COPIES:

Twenty-five copies of the enclosed letterhead memorandum are being designated for Dallas, the domestic office of origin, according to instructions set forth in referenced Dallas airtel.
