Dear Mike:

We have, as yet, not received a response to our document request of December 10, 1975, for access to materials pertaining, inter alia, to Valeriy Vladimirovich Kostikov, the KGB's Department 13, and an operation code-named [redacted] (S) 1B

Due to the apparent problems in furnishing documents responsive to this request, we would, at this time, as a supplement to referenced request, ask that Bureau officials, knowledgeable in these areas, meet with and brief members of the Committee and senior staff members on all aspects of these projects on or before Friday, December 19, 1975.

Problems with any details of this briefing may be referred to Thomas Dawson of our staff or myself. We appreciate your cooperation on this matter in view of the time constraints placed on the Senators due to Christmas recess.

Sincerely,

Paul G. Wallach
