OFFICE OF THE SECRETARY OF DEFENSE  
WASHINGTON, D.C. 20301

September 29, 1977

Mr. James L. Wolf  
Select Committee on Assassinations  
U.S. House of Representatives  
Washington, D. C. 20515

Dear Mr. Wolf:

As indicated in my letter of 21 September, additional Army records in the case of Loran A. Hall have been located through the Veterans Administration Headquarters in California. A certified copy of these records is appended hereto as Attachment 1.

The documents provided do not constitute a complete service record, since these were destroyed by the 1973 fire at the National Personnel Records Center. However, the file contains substantial medical records and substantiates military service by Mr. Hall as follows:

	Length of Service		
	<u>Yrs.</u>	<u>Mos.</u>	<u>Days</u>
U.S. Army	9 Jan 47	17 Apr 47	0 3 9

## INSTRUCTIONS GENERAL

See AR 600-750.

Care will be exercised by all concerned in the preparation of this form to obviate the necessity for returning it for correction. It will be carefully scrutinized after completion for errors and omissions and compared with the prescribed entries made from it on the Service Record (WD AGO Form 24 or 24A), which will be opened before this form is mailed to The Adjutant General. This form will be used for enlistments in the Regular Army only.

### FOR THE PREPARATION OF THE ENLISTMENT RECORD

1. Only an original will be prepared. Blue-black or black ink or typewriter ribbon only will be used. Retained or duplicate copies of this record will not be prepared without specific instructions from The Adjutant General.
2. The complete original record will be forwarded to The Adjutant General by the recruiting officer. The record of a rejected applicant will be marked "Rejected" at the top of the first page and, except in case of an applicant with prior military service, will be filed at the place of rejection. The record of a rejected applicant having prior military service, who is rejected for physical reasons, will be forwarded to The Adjutant General. The enlistment record will be mailed flat and will be accompanied only by such papers as are required in connection with the enlistment.
3. The name, race, home address, last service in the Army, and declaration of the applicant will be filled out at the station where applicant is accepted for enlistment. The remainder of the record will be filled out at the depot, post, or station to which the applicant is sent for final physical examination and enlistment. Particular care will be taken to determine the bona fide home or residence of the applicant. "United States Army" will not be accepted as the home address.
4. The correct name of the applicant will be ascertained, and it will be written and signed exactly as indicated in each place on the form. A trial signature will be required before signing the Enlistment Record. In the case of man reenlisting, if the enlisting man's name assigned on the record of reenlistment differs in any particular from the name as shown on the discharge certificate or other available evidences of prior service, a notation will be entered under "Remarks" on page 1 of this form showing the name under which prior service was rendered.
5. Service in the Army (See par. 18, page 1) includes service in the Regular Army, the Regular Army Reserve, National Guard, called or drafted into Federal Service, Enlisted Reserve Corps, or Army of the United States.
6. Race will be indicated as white, colored, Indian (referring to American Indian only), Puerto Rican, Cuban, Mexican, Hawaiian, Filipino, Chinese, East Indian, etc. As here employed "colored" will include the American Negro, mulattoes, and others of negroid race or extraction. For mixed races, except mulattoes, the nationality will be considered as synonymous with the race; for example: Mexican, Filipino, etc. Asiatics, other than members of the white or Caucasian race, will, as a rule, be indicated by nationality; for example: Chinese, East Indian, etc.
7. The declaration of the applicant will be taken before he has been stripped, and any statement indicating a possible cause for rejection will be followed up by searching inquiry and examination and the result noted on the record. This declaration may be taken at a substitution by an enlisted man designated by the recruiting officer, if no commissioned officer is available, in which case the enlisted man will sign as "Witness," but the recruiting officer must verify the statements of the applicant before enlistment.
8. The physical examination will conform to the provisions of AR 40-105 or other prescribed regulations. Deviations from normal, though not a cause for rejection, will be noted under the proper headings. If waiver of defects is secured from higher authority, cite the authority.
9. Under the heading, "Remarks" (Page 1) will be noted any authorized special assignment.

### FOR THE PREPARATION OF DESIGNATION OF RELATIVE TO BE PAID SIX MONTHS' GRATUITY IN CASE OF DEATH

10. Every enlisted man, upon enlistment and reenlistment in the Army of the United States, will be fully informed regarding his right to designate a beneficiary under the Act of Congress approved December 17, 1919 (AR 600-600), as amended by the Act approved December 10, 1941 (Sec. IV, Bul. 26, W. D., 1941), and the Act approved December 17, 1943 (Sec. I, Bul. 25, W. D., 1943), and such designation will be prepared on this form. A friend, a guardian (as such), an institution, or an estate is not eligible for designation as a beneficiary; the beneficiary must be a relative of the enlisted man and dependent upon him for support. The word "dependent" will be construed as potential, as distinct from an actual dependency referred to under Paragraph 6, Declaration of Applicant. For each beneficiary such as wife or child, designation will be made showing the name and address of person or persons eligible, or the word "None" will be written in the proper space. The information on lines 1 and 2 will conform to answers in Paragraph 6 of Declaration of Applicant regarding conjugal condition. If the enlisted man does not desire to designate a beneficiary other than wife or child he will be required to make the following statement on line 3 in his own handwriting: "I decline to designate any person as my beneficiary," or the statement may be inserted with a rubber stamp and initialed by the enlisting man. If he names a beneficiary on line 3 but does not desire to designate an alternate beneficiary, he will be required to make the following statement on line 4 in his own handwriting: "I decline to designate an alternate beneficiary," or the statement may be inserted with a rubber stamp and initialed by the enlisted man.
11. Names and addresses will be legibly written, typewriter being used when practicable. Except in signature, names will be written in full, and street and house number, if any, will be given.
12. The signature of the enlisted man will be witnessed by the recruiting officer or other available commissioned officer.
13. Designation duly made and filed under the Act will continue to be valid and sufficient during the term of enlistment for which made until the enlisted man is separated from active service, or until a change among the persons eligible as beneficiary, addition thereto, or discontinuance of eligibility occurs, in which event redesignation of beneficiary will be made on Designation or Change of Relative to be Paid Six Months' Gratuity in Case of Death (WD AGO Form 41).
14. Men who are discharged for the purpose of immediate enlistment may be assigned to the organization in which serving at time of discharge in accordance with regulations (currently paragraph 23b, WD Circular 110, dated 17 April 1948). Such assignments are initial assignments only, and no promise will be made or implied that these assignments are for any specified period of time beyond that authorized by current War Department directives.
15. Indicate initial assignment of all enlistees, if known, subsequent to the time the applicant takes the Oath of Enlistment:
