The Nationalities Intelligence Section has requested Liaison to determine if the sources mentioned in CIA memorandum, dated 4/3/64, (disseminated locally to our Miami Office by CIA's Miami Office) and the sources referred to in CIA's letter, dated 6/10/64 (CSDB 3/661, 658) could be made available to the Bureau for interview.

On 7/30/64 ~~\_\_\_\_\_~~, CIA, advised the Liaison Agent of the following:

The sources of CIA's memorandum of 4/3/64 and CIA's letter of 6/10/64 ~~are identical. They are \_\_\_\_\_~~  
CIA is of the opinion that the FBI has interviewed both individuals. In this regard, it is noted that both individuals are employed by a small firm in Miami whose officers and employees are aware of the plan to assassinate selected Cuban Government leaders. CIA is of the opinion that if the Bureau were to reinterview the two sources, it would suggest to them that the FBI's interest in a reinterview resulted from information received by this Bureau from CIA. Sources have expressed the opinion to CIA that, should it become known that they were reporting this type of information to CIA, they would immediately be fired from the firm where they are presently employed. CDA

As a result of the above, CIA has asked that we not reinterview subject; however, they have asked that should the Bureau deem reinterview imperative, the following conditions be applied: (S)

- (1) FBI would reinterview all people concerned and treat all the interviewees in a like manner.
- (2) Interview be so conducted, so that information originally furnished from CIA's sources will not appear either to sources or to others interviewed as the basis for reinterview.
- (3) CIA will not be revealed as the source of information on which reinterviews are predicated.

CIA OFFICER

~~[redacted] advised that CIA considers the above sources valuable and feels they have to request the above conditions be placed on possible re-interviews in order to protect the confidential nature of the information as revealed by their two sources. In addition, CIA feels that if the question was raised as to whether or not CIA furnished the information or the identity of the sources to the FBI, CIA would have to deny having furnished such information or the identity of the sources to the Bureau.~~
