MEX-170 who has furnished reliable information in the past, advised that the Mexican Immigration Service received information on 1/7/68 from the manager of the golf club in Cuernavaca that the Subject had returned to the club on that date. He advised that consideration was given to sending agents to Cuernavaca on that date, but it was decided there was not sufficient time and they would wait until 1/14/68.

Source was aware that two Immigration Inspectors had been given orders to stand by and to be prepared to go to Cuernavaca for the Subject. However, these orders were never given. He noted they have a limited number of inspectors and there has been an exceptional amount of extra work during January, 1968, and this may be the reason that these orders were not given.

On 1/23/68 MEX-266 who has furnished reliable information in the past, advised his inquiry in Cuernavaca tended to confirm that Subject was back in residence at Nubes 2, Rancho Tetela, Cuernavaca, Morelos, Mexico. Workers in the vicinity advise that the house is presently being occupied by a person other than the servants, presumably by the owner, who answers Subject's description.

He rarely leaves the premises but frequently is visited by Licenciado (Attorney) CASTILLO, who is the administrator of the property. Aside from trips to town he occasionally goes to the Club de Golf de Cuernavaca, usually on Wednesday or Thursday.

Mrs. VICKERS, who lives in the vicinity, has indicated that the present occupant of Nubes 2 is constantly making trips outside Mexico and has nothing to do with anyone in the neighborhood.
