## DETAILS AT CHICAGO. ILLINOIS

Investigation to determine whereabouts of SAMUEL M. GIANCANA. ()

Cg T-l advised that he has not observed SAM JIANCANA in the vicinity of his residence at 1147 South Wenonah, Oak Park, Illinois, since GIACANA was incarcerated in the Cook County Jail in May, 1965. Cg T-1 is in position to observe the activity at 1147 South Wenonah throughout the daylight and night hours. ().

The following information was received in April, 1968, on a confidential basis from Cg T-2, a high ranking official of another government. His information is based on investigation conducted by officials of that government.

It was confirmed that the subject had come to Mexico on various occasions and resided in the house at Nubes Number 2, Colonia Rancho Tetela, Cuernavaca. This house is in the name of a company called Nubes, The person handling the sale of this house to Nubes S.A. was RUTH DORENBERG-PENNIVICH, a real estate broker residing at Virginia Fabregas Number 108, Cuernavaca, She is a Mexican citizen with Mexican passport number 58354, issued August 17, 1965. She handled the sale of this house and also continues to be concerned with the administration of the property. She also sold insurance for a car and a garden tractor in the name of Richard Cain company.

Mex 110

She was not cooperative, but did furnishe the information that one of subject's associates is a Richard Mr. SCALZETTI, and adso a Mrs. CANTAMAYA or CANTAMAYALA. Her real name is believed to be CANTA DE GIMBEL, residence Galeana Number 603, telephone 2-36-00, Cuernavaca, Mexico

> Subject also reportedly was associated with the former owner of Nubes Number 2, a Mr. ALBERT ANDREAS.

> Investigators also contacted Mr. and Mrs. BRUCE VICKERS, who reside in the vicinity of Nubes Number 2, and are considered the administrators of property in the Rancho Tetela sub-division. They claimed not to know the identity of persons residing at Nubes Number 2

1926-361

Mr. OCTAVIO CISNEROS, residence Economia Number 14, telephone 48-02-94, Mexico City, and Club de Golf, Lote 14, telephone 2-44-39, Cuernavaca, was contacted, and advised that the only relation he had with the subject whom he knew as SCALZETTI, was at the Club de Golf in Cuernavaca. He advised that subject sold him his golf cart at this club many months ago. Neither he nor the administration of the golf club had seen subject at the golf club for many months.

It was determined that the house next to the VICKERS' house is owned by a Mr. ADAM KULIAKOUSKI and his son, LEON, from Chicago, Illinois. This house is presently for sale. Reportedly, subject used to visit this house

It was also determined that the telephone at Nubes Number 2 is 2-64-87. The only persons currently in residence at this location are servants (1)

It is noted that subject's attorney, JORGE CASTILIO Z., has petitioned the Mexican Government to review their decision not to grant subject immigrant status in Mexico. He denies that subject has any relation with the underworld and claims that, although he formerly was a part-owner of gambling casinos, he has been retired since 1950. He claimed that since that time subject has been persecuted by the Federal Bureau of Investigation, and contended that subject could not be a criminal because he has been residing in the United States and has not been arrested by the Federal Bureau of Investigation for any crimes. He claimed that subject had not returned to Mexico since he was requested to leave in October of 1966.

Apparently, based on the inquirees being made in Cuernavaca, CASTILLO contacted inspectors of Mexican Immigration to inquire the basis for these inquiries. He was asked subject's whereabouts, and claimed he did not know. He at first indicated that he believed subject was traveling at unknown localities in Europe, but subsequently hinted that subject was in Miami, Florida.

It is noted that most Mexico City - Miami flights go through Mexican Customs and Immigration Inspection at Merida, Yucatan, Mexico, and that information previously reported indicated that subject had been seen in Merida. Sources have indicated that Merida is notorious for the corruption in its Immigration and Customs inspections.
