The following information was received 5/10/68 on a confidential basis from ALFONSO FRIAS, Chief of the Office of Investigations of the Banco de Mexico.

He advised that he had arranged for a search through the records of the Banco Nacional de Mexico concerning a possible account for the subject with negative results.

In addition he had arranged for investigation to be conducted in Cuernavaca concerning telephone number 2-64-87.

This number was furnished confidentially by Inspector JORGE ALDANA as being the telephone located at Nubes 2 in Cuernavaca.

FRIAS advised that this telephone number in Cuernavaca is listed in the name of Aire y Temperatura (translation-air and temperature), Leandro Valle 501, Cuernavaca.

Reportedly the owner of this company is RAFAEL GONZALEZ de VALVA who has offices in the Casino de la Selva Hotel in Cuernavaca, telephone number 2-17-31. GONZALEZ also has a private telephone number, 2-39-24. Supposedly the Aire y Temperatura Company was being managed by his brother-in-law, but he has not been seen in the area for about a month. Sources noted that he had many American visitors.
