subpoena to appear before a Florida State Senate Sub-Committee probing crime and racketeering in Miami, Florida. Source also advised he could not furnish exact location where TRAFFICANTE is staying in New York.

On July 5, 1968, information concerning the illegal telephone extensions at TRAFFICANTE'S Tampa residence was furnished to JAMES McMAHON, Security Director, General Telephone Company, Tampa, Florida.

On July 8, 1968 MM1298-PC advised that TRAFFICANTE is still spending a vast majority of his time in New York City, where he has been for the past 1½ months. Source advised that TRAFFICANTE was in Miami for a period of two or three days, however, he left suddenly. While in Miami TRAFFICANTE was avoiding his residence and his automobile and had been staying at motels and renting automobiles.

MM 192-PC stated that the reason TRAFFICANTE is spending so much time in New York City is because of the recent arrests by the Federal Bureau of Narcotics in New York of twenty-two million dollars worth of raw heroin shipped in an automobile from Paris to New York. A New York Italian and several French men from France were arrested in this case. According to source, TRAFFICANTE allegedly told his Miami Cuban representative EVARISTO GARCIA VIDAL that "We lost ten million" due to the New York arrest. Source added that TRAFFICANTE has postponed his trip to Ecuador because of his New York problems and in his place VIDAL and TRUEBA ROJAS will go to Ecuador and sign the necessary papers for the licensing of the casino in Ecuador.
