Reurairtel 1/16/62 and its enclosed memoranda.

Inasmuch as the original source of the data in the referenced communications was Federico Virellas, paragraph two of the informant evaluation memorandum has been changed to read as follows:

Source mentioned in instant communication has furnished reliable information in the past. Our source received the information from an individual in a position to know such data but whose reliability is not known to us.

Recipient offices should make the above addition to their copies of the informant evaluation memorandum.
