NOTE: Chavez is a top leader of the Teamsters' Union in
Puerto Rico and was reportedly selected by James J. Hoffa,
leader of the Teamsters' Union, to organize local 901 in
Puerto Rico. Information was received from a representative of the
police in Puerto Rico that Chavez was in the Bahamas in late 1961
during the time "powerful Trujillistas" arrived in Nassau and
the authorities requested subject and wife to depart from Nassau.
Stott advised subject and wife left Nassau on own accord and prior
to arrival of Arismendi Trujillo. Information has been developed
that subject is a close friend of Arturo Espailat and Espailat's
sister stated that when Chavez learned Arturo was in prison in the
Dominican Republic in Summer of 1961, Chavez made it known to Ramfis
Trujillo and those responsible for Arturo's imprisonment that if
anything happened to Arturo the "Dominican Republic would forget what
a ship looks like" and that "Chavez would get Jimmy Hoffa to back him."
