that neighbors had seen a red and white station wagon leaving the scene. It is known that Mrs. BETTY WITHERSPOON has a red and white station wagon. BETTY JOHNSON conjectured that WITHERSPOON's boyfriend fired the shots because SHEA had not paid back bond money loaned for the release of SHEA, WITHERSPOON and FORD on the charges previously commented upon.

MM 814-C advised MAX EDER (Miami File 92-467) still possesses some control and authority at the Fontainebleau Hotel, Miami Beach. He also advised that information came to his attention that BEN NOVACK, the operator of the hotel, was successful in having the mortgages on the Fontainebleau Hotel refinanced by the Guarantee Life Insurance Co. of New York City and is now out of the "red". He stated NOVACK now wants to buy out his partners and has offered them considerably more than what they paid to acquire their interest. He said he understood NOVACK's partners are SAM LANE, who owns the Hampshire House in New York City; ABE ROSENBERG, owner of Star Liquors in New York City, and SONNY ZEEMAN, also connected with Star Liquors.

MM 509-C advised he received information that the bookmakers who intend to operate at the Gulfstream Race Track, Broward County, Fla., are required to deal through EDWARD GOLD, a bookmaker and gambler who is associated with the MICHAEL COPPOLA (Miami File 92-101) group.
