Enclosed herewith are 7 copies of a letterhead memo dated and captioned as above. U

Re Bureau airtel 3-14-67 and report of SA WILLIAM F. ROEMER 3-23-67 at Chicago. U

It is noted that La Prensa, a Mexico City Spanish-language tabloid, has recently carried a series concerning La Cosa Nostra, and specifically the Subject, listed as the chief of La Cosa Nostra, who was reported to have come to Mexico. U

Apparently in response to this campaign, the Mexican Ministry of Government announced that the Subject had been expelled from Mexico 9-10-66, and was not known to have returned to Mexico since that date. U

Representatives of this office have been in daily contact with the Mexican Immigration Service, specifically with Attorney JORGE VAZQUEZ ROBLES, Chief of the Inspection Service of this department. U

He advised that they have reviewed all arrivals and departures at the Mexico City Airport since September, 1966, and found no listing for the Subject. They have therefore concluded that the Subject has not come to Mexico City, although it has been pointed out to them that he may have entered Mexico in a private car or by other means. U

On 4-12-67 Attorney VAZQUEZ advised that he had been in contact with Attorney JORGE CASTILLO Z. Plaza de Republica No. 32. It is noted that this attorney previously represented Subject in his efforts to secure immigrant status in Mexico, and also has represented Subject's associate, RICHARD CAIN and his wife, HARRIETTE BLAKE CAIN. He noted that this attorney is considered a reputable local attorney specializing in immigration matters, and considered it unlikely that he would furnish false information to the Mexican Immigration Service, where good will is vital to his practice.

Mrs. Richard CAIN

*ILL
MEXICO*

According to this attorney, Subject, to his knowledge, has not been in Mexico since September, 1966.

(S)(u)

In discussing this matter on 2-12-67 with Attorney RAFAEL HERNANDEZ OCHOA, Assistant Secretary of Government for Mexico, he specifically advised that not only could Subject not be granted citizenship, he would not knowingly be granted any type of immigrant or tourist-type status in Mexico and, if located in Mexico, would be subject to expulsion.

(S)(u)

He was advised that Subject's associate, CAIN, was reported to have returned to Chicago, and he stated that the Mexican Government has issued an order to deny CAIN re-entry privileges to Mexico.

(S)(u)

Sources throughout Mexico have been alerted to the possible presence of Subject in Mexico and to continue efforts to develop information as to his activities.
