SUBJECT: CARLOS MARCELLO, aka  
AR

~~EXP. PROC.~~

*CP*

ReBulet 1/2/64 and New Orleans letter 3/13/64.

The lamps previously altered by the FBI Laboratory containing radio microphone have been tested in the room normally occupied by MARCELLO at the Town House Motel, Lafayette, La., and they appear to work satisfactorily in that transmissions are clearly received in the adjacent room.

An actual installation has not been effected on MARCELLO to date in view of the fact that he has been known to be in Lafayette on two occasions since the equipment has been checked. On one occasion he stayed at the Holiday Inn Motel and on the second occasion he stayed at the Town House Motel, however, his reservations were made in another person's name. *B*

In view of the fact that MARCELLO will occasionally utilize the Holiday Inn Motel when he goes to Lafayette, UACB a survey will be conducted to determine the feasibility of an installation in the Holiday Inn Motel.
