Frankie Chavez
UNKNOWN VICTIMS
AR

Enclosed for your information is a copy of a LHM dated 4/26/63 captioned "JACK MC CARTHY." You will note that according to information therein Chavez allegedly attempted to shake down the owners of four hotels in San Juan. As a result of this the owner of one of the hotels reportedly gave unknown members of the criminal element in New York a "contract" to kill Chavez; however, this matter reportedly was later resolved peacefully. *7*

The Bureau has opened a new case captioned as above and San Juan should do likewise. San Juan should search its files for any information that will indicate whether the foregoing allegation has any substance. San Juan also should contact appropriate criminal informants and other reliable established sources for the purpose of determining whether Chavez did, in fact, attempt to shake down hotel owners, it being noted that any such activity on his part, if it can be established, may constitute violations of the Anti-Racketeering Statute.

For your information, the data in the enclosed memorandum was received from an extremely sensitive source; therefore, no dissemination of this information should be made. If similar information which will provide a logical basis for investigation can be obtained from another source then such investigation should be conducted in line with the instructions in Chapter 3, Part III, FBI Handbook, and no reference in material prepared for dissemination should be made to the New York source.
