UNITED STATES GOVERNMENT

Memorandum

TO : DIRECTOR, FBI

FROM : SAC, NEW YORK (92-3011) (C)

SUBJECT: JOE JENKS
AR

DATE: 10/17/63

ReBulet to New York dated 1/28/63, captioned, "THE CRIMINAL COMMISSION; ET AL; AR-CONSPIRACY."

JOE JENKS (NICKNAME), was identified on June 13, 1963 by NY 3864-C-TE as a member of Cosa Nostra in the GENOVESE "family." NY 3864 was shot to death on 7/11/63.

New York indices were reviewed and no references were located which could be identified with the subject. The records of the Bureau of Criminal Identification, New York City Police Department, New York City, as well as the Credit Bureau of Greater New York, were reviewed but nothing identifiable with JOE JENKS could be located.

On September 5, 1963 JOSEPH VALACHI was interviewed concerning JOE JENKS. He stated that this individual was unknown to him by that name.

SA AUGUST J. MICEK caused the records of the Central Investigation Bureau, New York City Police Department, to be checked on September 24, 1963 but no information identifiable with JOE JENKS could be located.

Informants generally familiar with top hoodlum and anti-racketeering matters in the New York area have been contacted, and in the absence of a physical description, photograph, or other identifying data, were unable to identify the nickname JOE JENKS with an individual known to them.

This case is being closed at this time since all logical investigation to further identify this individual has been conducted without success. It will be reopened if further information is received in the future which can substantiate former NY 3864-C-TE's information or which can furnish essential descriptive data necessary to identify this individual.
