WILLIAM HOUSTON SEYMOUR

The following data supplements that contained in memorandum under this caption dated October 23, 1963:

LORAN EUGENE HALL

On July 9, 1959, ~~Ruben Miro~~ <sup>FIA</sup> Guardia, Miami, advised that in April, 1959, he was detained by Cuban Police in Havana, Cuba. During his detention he met a United States citizen named Loran Hall, who was also under detention at the time. Hall, a white male, approximately 30 years of age, 5' 10" tall, black hair, said he was from the State of Kansas, and had served in the United States Armed Forces for about six years. Hall told Miro that he had arrived in Cuba in about March, 1959, and had subsequently been contacted by Camilo Cienfuegos, a Cuban Rebel Army Commander. Cienfuegos wanted Hall to train a group of men who were going to participate in an invasion of Nicaragua. Hall claimed he trained a group of men on a farm known as La Lisa, located near Havana. Hall said the food for the trainees came from the Cuban Military Staff Headquarters, on the orders of Cienfuegos.

Miro stated that Hall said he was arrested on April 8, 1959, by Cuban authorities, who alleged Hall was suspected of being an FBI Agent. On Miro's departure from Cuba on July 7, 1959, Hall was still in the custody of Cuban authorities, but Miro believed that Hall was going to be released and deported to the United States.

A source, who has been involved in Cuban revolutionary activities for the past six years and has furnished reliable information in the past, advised on March 10, 1963, that Hall had been in Miami for about the past three months, and associated with Gerald Patrick Hemming, an American adventurer, mercenary and soldier of fortune. Source stated Hall is disagreeable, is not liked by the other mercenaries in Miami, is of low moral character, and appears to have a criminal background.
