You were recently contacted by NCIU staff here concerning the above noted Dino Vincent CELLINI, known to your Agency as a professional gambler associated with the Meyer LANSKY organization. We are now in possession of additional details as to this person's current activities, which are being forwarded for your information and concerning which certain assistance is requested.

He was described as tall, medium build, distinguished looking and well spoken. While there, he placed long distance calls to the following phone numbers in the United States.
