CHIBAS advised that the JURE in New York City has been most inactive during the past few months and he doubted that there would be any noticeable increase of activity in the organization within the immediate future. (u)

CHIBAS stated on September 29, 1964, that there has been a certain degree of dissension within the ranks of the JURE because of the failure of MANUEL RAY to get into Cuba as he had predicted. CHIBAS stated that in his last conversation with RAY prior to his departure from Miami, RAY told CHIBAS that he had every intention of returning to Cuba before the end of 1964. CHIBAS said that he did not know how RAY was going to achieve this or what RAY's plans were but he felt sure that RAY would make more attempts in the near future. (u)

NY T-3 on September 29, 1964, stated that he had recently made a business trip to San Juan, Puerto Rico, and had spent five days there. While in Puerto Rico, NY T-3 stated that he had conferred with a reliable man in JURE, who had been sent there from Miami, by the name of (First Name Unknown) BUTARI. NY T-3 stated that BUTARI is an individual responsible for keeping the records and the finances for the North and Northwest sections of the JURE in Puerto Rico. During one meeting with BUTARI, NY T-3 stated that he had an opportunity to look at the membership list of the North and Northwest sections and ascertained that there were 414 members listed and that these individuals contributed on a regular basis sums of money ranging from \$.25 to \$5.00. NY T-3 further stated on September 29, 1964, that the JURE in Puerto Rico has taken in new members and among the new members is a sizeable group of veterans of the Bay of Pigs invasion. (u) ELA.

NY T-3 stated that MANOLO RAY has returned to San Juan, Puerto Rico, but during his last trip there, he did not have an opportunity to speak with RAY. (u)

NY T-3 learned from individuals close to RAY in Puerto Rico that RAY has been travelling regularly and has spent extended periods of time throughout the Caribbean. NY T-3 said that it is rumored that RAY has made a couple of trips into Cuba but he could not vouch for the veracity of this rumor. (u)

NY T-3 advised that he had been requested by the JURE to carry forth a program in universities in the New York area which would familiarize the college students with the program of the JURE. NY T-3 said that it was most difficult to establish organizations within universities within the New York metropolitan area because the students have such a distance to travel and are reluctant to stay after school hours, and secondly, so many of the JURE members in New York are engaged in making a living and have little time to devote to such a program. (u)

NY T-3 stated that the JURE in New York City is not active, has no real program or project, is lacking in leadership and its headquarters at 104 West 43rd Street, New York City, has become nothing more than a gathering place for members who want to get out of their homes at night. (u)

NY T-3 stated that RAUL CHIBAS, the leader of the JURE in New York, has returned to New York from Miami, is again teaching school in Long Island, but has not the drive or leadership to do anything constructive for the JURE in the New York area. (u)

NY T-4, on October 2, 1964, stated that he has not received any contact from any JURE members in the last three months. NY T-4 advised that RAUL CHIBAS, who was supposed to be in contact with him regarding the possibility of purchasing weapons, has not contacted him although NY T-4 had heard that CHIBAS had recently returned to New York from Miami.
