There are two craps tables and one barbout table.

"SONNY" CIANCUTTI is the on-the-spot manager of the place and ANDY MANGINI is out altogether.

FRANK CONSTANZA, from Arnold, Pa., works on the upstairs door and also does clean-up work after the place closes.

"SHAKEY" KOZLOWSKI works the downstairs door at the street level.

Both doors operate on electric buzzers. The downstairs door pushes in, and the upstairs door pulls out.

Some of the dealers at the tables are MICKEY OUTLAW, NICKY (Last Name Unknown) from Pittsburgh, EUGENE (Last Name Unknown) from Pittsburgh, "KI" SAMS, LEVEO FONTANA, "SPEEDO" HANNA and "BABE" DE FELICE. "MITCH" RODITES is working the cashier's cage.

On the night of December 7 to 8, 1967, the game was very large with players from Pittsburgh, Jeannette, Greensburg, and other areas.

On December 5, 1967, PG T-5 advised:

GEORGE (Last Name Unknown), the white male on whom he furnished previous information during the early spring of 1967, appeared in Pittsburgh again and told informant that he has been in jail since about May, and was recently released and wanted informant to go with him to the new game being operated in New Kensington by "SONNY" CIANCUTTI. According to informant, the following people are working at CIANCUTTI's game:

EUGENE DEL-----, of Bloomfield;

"SPEEDO" HANNA;

MC GAFF, also known as "Pearshape"
(JOHN CORSO).

the TMA Club, New Kensington, Pa., by MIKE "BEN" NAMEY. Three of the dealers who are there working every day are ANDY MANGINI, DANIEL "SPEEDO" HANNA and SONNY CIANCUTTI.

Lo-Ball is a card game similar to poker, but it is played backwards. In other words, the low hand wins instead of the high hand.

On August 8, 1967, PG T-7 advised:

He heard the "KELLY" MANNARINO group was interested in a casino in the Caribbean but he does not know if they are interested in GIL BECKLEY's casino in Antigua, British West Indies. BECKLEY, however, intends on giving this casino up since he is losing money.

On September 14, 1967, PG T-3 advised:

KELLY MANNARINO receives \$100 per week as his share for permitting the operation of card games at the TMA Club, New Kensington, Pa.

F. POLICE AND POLITICAL INFLUENCE

On August 23, 1967, PG T-2 advised:

Last week, ~~Detective FRANK LINK~~, New Kensington Police Department, said that "the old man," (this means KELLY) had flown south and that LINK and the Chief of Police of New Kensington Police Department are going to meet KELLY at Palm Beach, Fla. LINK then advised that he needed money for the trip and the informant gave him \$100 because informant feared a physical beating from Detective LINK. A day or so after he had had a meeting with LINK, he saw KELLY MANNARINO from a distance in New Kensington, Pa., and on August 22, 1967, he saw LINK talking to KELLY in New Kensington, Pa. *Pa*

There is a conflict between KELLY and the Mayor of New Kensington due to the fact that the Mayor will not bend to KELLY's wishes and LINK was placed in his present position at the New Kensington Police Department to keep an eye on the Mayor.

On August 4, 1967, PG T-3 advised:

1 add

On 4/14/67, CV 646-C was recontacted, and he advised he had been unable to ascertain name of contact of MANNARINO brothers, employed by the Bureau of Indian Affairs. Informant advised he has been recently contacted by JOSEPH "RED" GIORDANO, "go-between" man for the MANNARINO brothers, and advised there is another construction project coming up for bid on an Indian Reservation, somewhere in the State of Arkansas, and GIORDANO advised informant that he will receive the plans for this work in the near future. Informant stated he does not know any further details at this time, but stated the job will be for between one and two million dollars, and after he has had a chance to study the plans and before making his bid, Unknown Subject, employed by the Bureau of Indian Affairs, is allegedly coming to Youngstown at which time he will discuss the job with informant.

CV 646-C advised that GIORDANO is the "go-between" between he and the MANNARINO brothers, and also between the MANNARINO brothers and Unknown Subject, employed by the Bureau of Indian Affairs.

CV 646-C stated that GIORDANO continues to frequent the Town and Country Motel, with restaurant and bar, Route 422, Warren, Ohio. He stated GIORDANO has moved into the Warren area, as apparently ANTHONY DELSANTER has been unable to handle racket matters satisfactorily in the Warren area. Informant stated no doubt it was DELSANTER who helped GIORDANO locate a home in the area, where he currently resides.

CV 646-C stated that just recently he was desirous of locating GIORDANO and was unable to do so in the Warren area, stated "I had to call way over to New Kensington (Pa.) to get the number," and furnished Warren phone 898-4741, an unlisted number, as the residence of GIORDANO.

On 4/14/67, it was determined that Warren phone 898-4741 is an unlisted phone in the name of ARTHUR MARKS, 2620 Risher, S. W., Warren, Ohio, a residence.

CV 646-C was recontacted on 4/14/67 and he advised that he does not know the name of ARTHUR MARKS, but this was the telephone number he received as the home phone of GIORDANO.

The Warren City and Telephone Directories and the Haines Youngstown-Warren City and Suburban addressakey-telokey directory failed to list either the name of ARTHUR MARKS or the address of 2620 Risher, S. W., Warren.

It is to be noted that this is extremely sensitive information, and it would still appear that no active inquiry be made in Washington so that the informant will not be placed in a compromising position. Continued contacts will be made with the informant, and when positive information is developed, all interested offices will be advised.

ENCLOSURES

TO BUREAU (2)

Two copies of a letterhead memorandum in which informants used in this report are characterized.

BEADS

PITTSBURGH

AT PITTSBURGH, PA. (ALLEGHENY COUNTY)

Will continue to follow and report activities of subject and his associates in accordance with Bureau instructions.

ADMINISTRATIVE

Bureau approval was received to check telephone toll calls made by subject by reBulet dated 10/20/66.

While the period of this report is somewhat longer than desirable, it is due to the belief that clarity and continuity would better be served by awaiting results of leads set out in other communications.
