Source has advised subject, during the riot in Mexico around October, 1968, made inquiry at the office of the SDS regarding any planned activities on the part of SDS in connection with the situation. On the same date, 10/4/68, she contacted the Mexican Consulate and stated she and her husband were cancelling their reservation to Mexico because of the unheard of brutality on the part of the government in shooting down students. ~~(S)~~(u)

On 10/14/68, subject, identifying herself as SUE WARREN, as graduate student at New York University, made inquiry of SDS concerning the status of the strike at NYU and expressed desire to assist in the strike.

Subject is presently enrolled in Chinese I (Mandarin) at the above mentioned school. //

On 10/28/68, CG [6328]-S and CG [5851]-S contacted subject, however, she stated she would be unable to meet with them and did not feel she could add anything to what she had told them during a prior meeting. She informed them she made speeches at times and would be willing to do that for their group (Ad Hoc Committee for A Marxist-Leninist Party) if they so desired. Subject further advised the speeches were public and there is nothing special or "particularly private" about them. It was tentatively agreed she would be requested to make a speech around February, 1969. ~~(S)~~

TOM WODETZKI, NY 105-73749, on 11/20/68, inquired whether subject would be interested in teaching at a new school he was establishing; the school would be similar to that of the Free University of New York. Subject's name had been obtained from SHARON KREBS of the Free University of New York. Subject indicated her field is China and she had taught a course on the thoughts of MAO at the above-mentioned university. WODETZKI had wanted her to teach a similar course. ~~(S)~~

On 9/20/68, the Service de Documentation Exterieur et de Contre-Espionnage (SDECE) advised among the persons subject, also known as SUSAN WARREN, intended to visit during her stay in Paris, 8/2 - 8/8/68, were HELENE ~~(S)~~

Helen MARCHISIO, member of the Franco-Chinese Association of Friendship, 32 rue Maurice Ripoche, Paris; JACK BELDEN, Hotel de Suede, Quai Saint-Michel, Paris; PERDITA HUSTON CHAMPEY, an American citizen and spouse of a French student of medicine, 3 rue d'Alleray, Paris; and DJEFFOULI NACEUR, 52 rue Gay-Lyssac, Paris. (S)

It is noted in 1967, SDECE advised the Association of Franco-Chinese Friends, probably identical with the Franco-Chinese Association of Friendship, had as its managing director, JOSEPH MARCHISIO. (S)

J.P.P. While in London, subject was to visit AL DHAHIR, and Iraqi, at 40 Peckarmans Wood, Crescent Wood Road, London. MI-5 records failed to reflect any information identifiable with DHAHIR. (S)

LENG SDECE, on 9/20/68, also furnished a photocopy of subject's notebook, the contents of which consisted of numerous notes and names and addresses, some of which were illegible. Much of that which was legible appeared to be rough draft notes, the significance of which could not be determined. (S)

Among the names and addresses were: (S)

Rev. DAVID A. ROBINSON
3 Sunset Road
Wellesley, Mass. (S)

Investigation at Boston disclosed ROBINSON is a US citizen and a minister, born 9/30/25, Tientsin, China. ROBINSON apparently had been in Hong Kong since 1966. (S)(u)

MORTEZA AABDOLLAH

NY 4047-S* advised on 11/7/68, subject, after visiting the Blue Mill Tavern, NYC, failed to take her handbag with her when departing the premises.

Examination of the handbag, made available by MANUEL NEVES of the above mentioned premises, disclosed, among other items, a 1968 Membership Card for SDS, temporary United Nations pass as a representative for "Challenge", issued 10/13/68, and a notebook [similar to the copy furnished by SDECE, supra.] (S)

(S) The notebook, [not identical to that furnished by SDECE] also contained numerous notes and names and addresses. Much of that which was legible appeared to be rough draft notes, the significance of which could not be determined; some of the notes apparently were intended for speech making purposes.

Among the names and addresses was listed the Ford Hing Co., with the notation films see HAO Ping-kai, 167 McCaul Street Bookstore. *Canada*

It is noted in 1965 ~~LA~~ [4509] ~~S~~ advised the pro-Chinese Communist element in Toronto, Ontario, Canada, appeared to be led by HOWE Ping-kai and GEORGE LEE. Allegedly, HOWE also established the FUK HING KUNG SZE, (Fu Hsing Kung Szu (M) 4395/5281/0361/0674), Ford Hing Book Shop. The literature carried by the store is supposedly 100 per cent communist propaganda. (S)

Banking Information

A review of subject and her husband's checking and savings account at the Chemical Bank New York Trust Company, Grove and W. 4th St., NYC, did not disclose any financial transaction inconsistent with their income and standard of living.

Travel

Subject and her husband have reservations to depart NY for Mexico, 12/18/68, via Air France 707, and return to NY 1/16/69, via Air France 700. They also have reservations at the Hotel Del Paseo, 208 Reforma, Mexico City, for the period 12/18/68 - 1/16/69.

Observation

Information from NY 4047-S* indicates subject continues to espouse the China line and apparently does not limit her speeches to pro-Chinese Communist groups. She is also active in the affairs of leftist organizations.

Based upon information received from SDECE, one of the purposes of subject's trip apparently was to contact pro-Chinese Communist organizations or sympathizers while abroad, indicating her interest in the pro-Chinese Communist movement is not limited to the US, but is international in character. (S)

It is noted information from CIA dated 8/27/68, classified "Secret - No Foreign Dissemination," indicated party training courses for European pro-Chinese parties and youth groups were scheduled in Tirana on 7/30 - 8/13; 8/13 - 8/27; and 8/29 - 9/13/68. Subject departed the US for Europe 8/1/68, and returned 8/15/68. (S)(u)

[In August, 1968, subject travelled to Europe; she also transited the Malpensa Airport. At this time a meeting of pro-Chinese Communist militants was held in Albania. (S)(u)

It is not known whether subject attended any of the meetings or whether her trip concerned them, but she was in Europe at the time they were in progress.

Proposed Future Investigation

CG [6328]-S and CG [5851]-S have again contacted subject. (S) (S)

She has indicated a willingness to travel to Chicago to make a speech [for the Ad Hoc Committee] and it is anticipated she will be requested to do so in February, 1969. It is hoped a sufficient relationship will be developed as a result of the contacts to enable sources to obtain information re subject's activities. (S)

No activity has resulted from the mailing of the anonymous letter to TANG MING-CHAO, head of political intelligence in Englishspeaking countries for the Chinese Communists as mentioned in the NY let. Any action re above will be dependent upon the results obtained. (U)

Should subject become more active in the SDS it is felt informants active in the organization could be targeted against her.

If subject accepts the offer to teach at the proposed school to be established by WODETZKI, attempts will be made to develop informants in classes taught by subject. (S)

NYO is conducting investigation concerning some of the individuals mentioned in subject's notebooks and will remain alert for the identity of anyone who could be developed as an informant.

Concerning subject and her husband's proposed trip to Mexico, Legat Mexico has been requested to alert authorities re their arrival and request coverage of their activities.

All significant information has been furnished to the Bureau and non-significant information recorded in memorandum form for the NYO.
