Referenced Milwaukee airtel dated June 22, 1964 states that LAWRENCE BUTTITA described only as an old retired man is identified as a member of the Rockford Family of La Cosa Nostra.

Organization in Rockford for illegal purposes he would assume that it is a relatively small organization because he does not believe there is enough going on in Rockford to support a large group.

On September 2, 1964, Detective Sergeant ROBERT SELGREN advised SA RIGGS that he had heard that CALO had returned to Rockford to get PHILLIP EMOR-DENO (Chicago File 92-1714) back into line. Sergeant SELGREN said that this seemed very unlikely. He said that he could not imagine that it would be necessary to have CALO return all the way from Sicily just to accomplish this.

An information copy of this communication is being furnished New York and Springfield in order to clarify the information set out in referenced Milwaukee teletype.
