Transmitted herewith are 14 copies of a letter-head memorandum dated and captioned as above.

Five copies are for an individual file on instant individual, MANUEL AGUSTIN TUNON VALDES BRITO, and 9 copies are for captioned file on Cuban Intelligence Matters. <sup>3</sup> ~~SECRET~~

One copy is furnished to Atlanta for information since TUNON has a half-sister, JULIA DE CARDENAS DE PAUSA, residing in Atlanta, whose husband is an M.D. at Georgia Baptist Hospital, Atlanta.

Military Intelligence Officer JOHN KOUN advised on January 18, 1963 that no deception had been detected in the examination of TUNON by polygraph. In view of this, and in view of the fact no deception was detected during the interview and he readily revealed as much information as he appeared to have regarding the identity of relatives still in Cuba, the case on TUNON is being placed in a closed status with this memo; since his induction into the U.S. armed forces appears to be imminent no consideration is being given to utilizing him as a possible source of information.
