SUBJECT: LA CAUSA NOSTRA
AR-CONSPIRACY

NY 3461-C-TE has advised that he learned that the five "bosses" in New York are to prepare a list of all the members in their respective "families" and will carefully screen these lists for questionable members who would be checked on the list.

Those members checked would be eliminated from the organization and the "families" reformed.

Those to be eliminated would be told they were no longer members and would be free to go about their own business, but warned not to ever divulge any information regarding "La Causa Nostra."
