Reference Miami letter to Bureau 3/12/64.

Enclosed is a Xerox copy of the most recent communication from subject, received by CIA Miami through POYLE's wife, GLORIA MOLINET. This communication was received by Miami on April 3, 1964, and CIA in their cover letter, stated they received the letter March 16, 1964, and the letter was postmarked Mexico, D.F. The postmark date is illegible.

Again, the information in the communication is general in nature and the names of the individuals mentioned are being indexed at Miami.

There are four paragraphs concerning certain individuals in POYLES communication which indicate that these persons, who are supposedly Communist, are trying to get into the United States. These individuals are LEANDRO GAMES (page 4); ARCEDARE GARRIA (page 5); ALFREDO NIETO (page 6); and ADREIAN GARCIA HERNANDEZ Y MONTORO (page 6).

Miami is opening separate cases on these individuals and after checking sources, Miami intends to submit LHMs with the pertinent information therein. Stops will be placed with INS in the event these individuals do attempt to enter the United States.

On page 7 POYLE mentions MIGUEL ENCISO as being the Captain Pilot with the Cubana Airlines who has carried his letters out of Cuba for him. Miami believes this individual is identical to MIGUEL ENCISO SIGLE, Bureau file 134-10444.

CIA, Miami, was contacted regarding the information contained in the enclosed communication and they advised they have not taken any action concerning the above individuals who might possibly attempt to enter the United States, other than notify the "interview group" at Opa Locka Detention Center, Opa Locak, Florida. If these persons do enter the United States they will be thoroughly screened by INS and CIA.

SUNDAY - MARCH 1 - 1964

When I enclosed in this letter the name of my friend M. ENCISO, I also meant to mention that the name he goes by, in the organization he works with is: LOVENDURC. Last week when he was in Mexico there was a message there for him ~~asking~~ why he does not write any more, and he told them that the reason is that things are very hot here, especially since BLANCO had been arrested, I just wanted to mention to you, that this man is not afraid of taking any chances, but that he wants to be quiet for a while, until he is sure that things are not too hot for him. I refuse to let him carry any messages for me for a while, so therefore this letter will be mailed to you thru another source I have, with the assurance that this letter will not be tampered with in Cuba in any way at all, as the person carrying this letter cannot be searched in any way at all, also he does not know what my letter contains, as he does not know me at all, and does not know that this is my letter. As long as I have mentioned the name of ENSISO, I am afraid to let him carry this letter because if he were searched before leaving on his flight, and they saw his name linked in any way at all, you know what the outcome would be, and I don't want to have that on my conscience. I don't mind risking my own life, but don't feel that I have the right to risk his life, just because he is ready to help me in any way. I am sure that you understand this.

Sunday March 1, 1964: 8:15 A.M.

My wife just called me and asked me for the name of my friend who carries the letters for me. I did not send it before when she had asked me because I was not sure what she wanted. as you know how difficult it is for my wife and I to explain things over the phone. But if it is what I think it is. this is his name: MIGUEL (MIKE) ENCISO:

He is a Captain Pilot here with the Cubana Airlines. and was during world war 2-a Pilot in the Royal Canadian Air Force. This man is the best friend I have here in Cuba, and is about the only Cuban I trust to work with here in Cuba. He is the man that has been working all along with PANCHO BLANCO. This man has risked his life many times for me, and vice versa. I have helped him as much as I can when he has asked me to get certain information for him, and would not hesitate to do anything in the world for him, in my power. He has a ham radio setup here that he operates with a Gov't license. I know this man's complete background, and can only say that he is the most honest man I have ever in my life met. and there is nothing in the world he would not do for a friend. especially in risking his own life to do it. At times I have had to criticize him as he had wanted to take too many chances with things, but I feel proud of the fact that he does listen to me. I think that this is the information you want, if not please advise me otherwise. This is the ONLY MAN THAT CARRIES LETTERS FOR ME.
