Re New York teletype to New Haven 7/7/64.

Confidential sources in the New Haven Division were contacted in connection with individuals who might attend the funeral of ROCCO FISCHETTI and no information was obtained indicating that any underworld associate would attend the funeral.

NH 415-C-TE, characterized as a close associate of leading hoodlums in Conn. and New York areas, including members of La Cosa Nostra, advised that in his estimation ROCCO FISCHETTI was a "nothing" and that his brother JOSEPH was the big man in the rackets.
