time and informant was of the opinion that ROTHMAN felt that he knew MADAN fairly well because of that fact. Informant said that ROTHMAN asked MADAN if he would consider talking to ARDURA MOYA and to ~~SANCHEZ~~ MOSQUERA, whom informant advised had been a colonel in the Cuban Army and one of the very few who ever actually participated in battles in the Sierra Maestra in one of which he was wounded. SANCHEZ MOSQUERA, according to MM T-10, is known as a fighter. Also according to informant, an individual named CANDIDO MORA, who was a representative in the Cuban Congress prior to the fall of BATISTA, was to be present during the proposed talk between MADAN and ROTHMAN and the other two. MM T-10 pointed out that CANDIDO MORA had a brother named MENELAO MORA, who was a very close friend of MADAN's and who was killed in the attack on the Presidential Palace, March 13, 1957. (S)(u)

According to informant, the purpose of the talk was to find out whether or not MADAN would be willing to aid the above mentioned individuals in whatever plans they had, which according to MM T-10, were probably anti-CASTRO in nature. (S)(u)

MM T-10 stated that he was informed that MADAN told ROTHMAN and the others that he would help them, but only in matters outside of the United States, inasmuch as MADAN has a job here, has his family here, and at the present time has no intention of returning to Cuba. (S)(u)

MADAN reportedly mentioned at the time of the above talk, which MM T-10 said took place some time in latter part of November, 1959, that he was going to Mexico to see a priest friend of his and to attempt to arrange a supply of marble. (S)(u)
