Re San Juan letter and LHM to the Bureau dated 3/27/75.

In Miami letter to San Juan dated 3/25/75, the following sources were listed as having been contacted for information regarding subject's activities with negative results:

- MM 2960-S
- MM 974-S
- MM 3240-S

MM 1550-KS advised on March 14, 1975, that he had last heard from VAILLANT about two years ago in Puerto Rico. VAILLANT was active at that time in preparing propaganda material for the anti-Castro element. Source has been loosely acquainted with VAILLANT for a period of years and has never known him to be directly concerned with acts of violence. Source regards him as a theorist or propagandist rather than a terrorist.

On 3/27/75, *REC-20 105-279535-3*  
[ SJ 769-S advised that he had learned through a conversation with ANDRES BARBEITO VIDAILLET, a San Juan Abdala member, that BARBEITO had attended a Frente Nacional de Cuba (FNC) meeting at the home of GLAUCO VAILLANT. [ BARBEITO had also mentioned that an individual named LAZARO had been present at this meeting. Information regarding this meeting was supplied to SAs JAMES PATRICK LAFLIN and ERNESTO PATIÑO by subject and reported in referenced LHM.

On 4/15/75, SJ 492-S advised that VAILLANT was a good friend of JORGE BOMBALIER and that the two of them years ago were involved with a Cuban group in San Juan called, "Committee for Free Cuban Elections," which was founded with the expressed purpose of bringing about free elections for a Cuban Government in exile.

On 4/25/75, X SJ [769] X<sup>(S)</sup> advised that SERGIO RAMOS, a San Juan Abdala member, had dropped by his house about three days ago. SERGIO RAMOS told source that he had learned that there had been a meeting of FNC members at the home of subject last week. RAMOS had learned that someone, whose name he did not know, from Venezuela had been present at the meeting.

The above information regarding subject and his association with the FNC was previously set forth in depth in previous LHMs. Inasmuch as no information has been forthcoming to indicate that subject has engaged in subversive anti-Castro activities, this case is being placed in a closed status.
