WEEKLY SUMMARY AIRTEL

REC-4

Re Chicago weekly summary airtel 2/3/61.

Commercial Survey Company

Sergeant FRANK NASH, Intelligence Unit (IU), Chicago Police Department (CG PD), advised on 2/8/61 that the IU had recently set up a dummy juke box corporation in CG for the purpose of investigating the Commercial Survey Company at 110 N. Franklin St., CG, and the Recorded Music Service Association, 188 W. Randolph St., CG. Although these are separate firms, they are, in actuality, one in the same, and the purpose of these companies is a shake-down of juke box operators in the CG area, which nets these companies in excess of \$100,000 per year. Juke box operators are charged \$1.15 a month per machine by these companies on a "subscription" basis. If any questions are given, the purpose of the company is to "investigate stolen and broken juke boxes."

stopped by the Oak Park PD. Mrs. SWEAZY admitted she was the passenger in this automobile but denied that they were proceeding at a high rate of speed. She said that she had been to the Armory Lounge and the Amber Light Lounge on that night and said that to her knowledge there were no other hoodlums in either place. (u)

Mrs. SWEAZY stated that in her opinion SAM GIANCANA is a "perfect gentleman" and is being unduly harrassed by the various law enforcement agencies. She said that GIANCANA has told her that he is a "retired gambler" and that she is inclined to believe his statement. She said that she does not believe GIANCANA is a mobster as disclosed by newspaper articles and that if she did believe this she would no longer associate with him. Mrs. SWEAZY added that GIANCANA at the time was "out of town" but declined to state exactly where he may be. (u)

PCI [redacted] advised SA HILL on 2/8/61 that GIANCANA was on that date at the Armory Lounge in Forest Park, Ill. (u)

OTHER 4

CG 6343-C* advised on 2/7/61 that ~~ANTHONY J. ACCARDO~~ and GUS ALEX held a conference on that date during which ACCARDO brought up the fact that it was foolish for GIANCANA to hold meetings at the Armory Lounge in view of the fact the police have been known to conduct surveillances on a regular basis re the syndicate. (u) 126

~~CONFIDENTIAL~~
The CG Division is continuing to explore the possibilities of a possible ~~financial~~ technique at the Armory Lounge and will keep the Bureau advised of any developments along those lines. (u)
