Remymemo April 7, 1966, which indicated that one of our informants had been approached by head of MIRR, anti-Castro organization, to pilot plane on raid over Cuba. Memorandum set forth proposed plan to thwart raid and protect our informant by establishment of roadblock. It was recommended and approved that this matter be discussed with the Department, following which appropriate letters would be sent White House and Attorney General.

On April 8, 1966, this matter was discussed with Mr. John Davitt of the Internal Security Division. Davitt concurred with the proposed plan to stop the raid, emphasizing that the primary objective is to stop the raid and that the Department desired no arrests. He requested that the United States Attorney in Miami be apprised of the facts and that the Bureau and Customs, which are interested in this matter coordinate with the United States Attorney. Miami Office is being separately instructed in this connection.

ACTION:

If you approve, the attached letters will be sent to the White House and Attorney General furnishing the facts.
