DECLASSIFICATION AND/OR EDITED COPY
RELEASE OF CIA INFORMATION
IN THIS DOCUMENT.
DATE 6MD 11-29-94

Remytels 4/24,26/62 entitled LARRY J. LA BORDE, ET AL; IS - CUBA; also Butel to Miami 5/1/62, as above captioned. u

Enclosed are 9 copies letterhead memo dated and captioned as above. u

On 4/24/62 Mr. GREG MARUCA, CIA, Miami, was advised of information set forth in retels. He said LA BORDE was of operational interest to CIA but was dropped a couple months ago. MAX (LNU), mentioned previously as contact of LA BORDE at Key West, Fla., according to MARUCA, is in fact a CIA agent in Key West, and was contacted by LA BORDE. Contrary to claim of LA BORDE, MAX tried to dissuade LA BORDE from an attempt to blow up the "SS Williams". MAX did not give LA BORDE permission to proceed, and CIA has not authorized this operation.

RE: LARRY J. LA BORDE
BOMBING MATTERS - THREAT

DECLASSIFIED BY SP8 MAC/KSR
ON 12-12-94 (JFK)

On April 24, 1962, MM T-1, who has been involved
in Cuban revolutionary activities during the past four years,
and who has furnished reliable information in the past, advised
as follows:

Larry J. LaBorde, an American in Miami, Florida, who
is a sailor by occupation, claimed he had learned on April 22,
1962, that the ship "SS Williams", operating out of Miami,
was running machinery to Cuba. LaBorde indicated he planned
to blow up this ship on its return to Miami. ~~(S)~~ (U)

LaBorde, according to MM T-1, is associated with
Antonio Cuesta, Gerald Patrick Hemming and Edward Collins in
this plan to blow up the ship. ~~(S)~~ (U)

Cuesta is a Cuban national. Hemming and Collins
are American citizens, mercenaries and revolutionists, who
are not members of any Cuban revolutionary organization, but
are in constant contact with most Cuban anti-Castro organizations
in Miami. ~~(S)~~ (U)

MM T-1 advised that on April 24, 1962, Cuesta visited
the Pier 3 area of the Miami Municipal Docks where the ship
ties up when in Miami, to familiarize himself with the area.
Cuesta said he had decided to use an aqualung to attach ex-
plosives to the ship. He claims to be an experienced diver. ~~(S)~~ (U)

On April 24, 1962, MM T-1 advised that LaBorde and
Collins on that date also had visited the Pier 3 area of the
Docks to familiarize themselves with the general area. LaBorde
planned to leave that evening for New Orleans to bring back ~~(S)~~ (U)
