Replied to Bureau 12-25-62.

Since submission of referenced letter information has been received from MEX-18 and MEX-19, who have furnished reliable information in the past, to the effect that ELIZABETH CATHERINE MORA, Bufile 100-395934, claims to be the person through whom American communists desiring to go to Cuba must clear. They advised MORA, an American Negroess, married to a Mexican, who works as an art teacher and sculptor, frequently serves as a sort of liaison between the American Communist Group in Mexico and the Mexican Communist Party.

The American Communist Group in Mexico is a loose association in Mexico on a predominantly social basis of present and/or past members of the Communist Party, USA, and their friends and associates who share a common sympathy for Communism and the Soviet Union.

MORA claims that Americans desiring to travel to Cuba are referred to her. She then checks their references and notifies the Cuban Embassy in Mexico City whether or not they appear to be trustworthy.

It is, therefore, considered that MORA, who resides with her husband, FRANCISCO MORA, at Apartment 16, Calle Pino #273 in Mexico City, may be the person to whom subject's wife was referring.

Extreme care should be given in reporting the above information in order to avoid compromising sources.
