APPROPRIATE AGENCIES AND FIELD OFFICES ADVISED BY ROUTING SLIP(S) OF DATE JUL 22 1977

Re Bureau letter, dated 8/7/61.

Enclosed herewith for the Bureau is the original in Spanish of the letter which the NYO feels should be sent to HERIBERTO GONZALEZ FONSECA as instructed in re Bureau letter. Two copies of the English translation of this letter are also being enclosed for the Bureau. HAVANA (4) BA

In an effort to determine the degree of publicity indicating common knowledge among members of the July 26th Movement of the monetary embezzlement by EFRAIN TRUJILLO, Treasurer of the July 26th Movement, NYC, NY 3042-S* was contacted on 8/17/61, by SA MAURICE H. LAUZIERE. This informant stated he was unaware that there was any shortage of funds in July 26th Movement accounts, and he said that in his almost daily contacts with the high officers of the July 26th Movement he has not heard anything, nor seen anything which would indicate that such an embezzlement has occurred. On 8/21/61, RAUL ANCHIA, the original source of this allegation concerning TRUJILLO, was recontacted by SA VINCENT J. WARGER, at which time he advised that he was unaware as to the extent of publicity given to this alleged embezzlement. ANCHIA advised that his source for this information was the wife of CESARIO NUNEZ, the individual who discovered the embezzlement when auditing July 26th funds (protect identity). (X)(U)

In spite of the possible lack of publicity concerning the above incident, it is believed that this factor may also work to advantage if the enclosed letter is forwarded to the July 26th Movement in Havana, since it could possibly be presumed by officials in Havana that the July 26th officials in NY are covering up this shortage. Accordingly, the NYO recommends that in any event this letter be forwarded for its disruptive possibilities. (X)(U)
