(MORALES) says that he will bring it over to his office and tomorrow he is getting that whiskey. DAVIDSON says that he is calling about something else. DAVIDSON says that last week when he was talking to (MORALES), (MORALES) told him that (FRANK) had some people looking around down in Nicaragua for a hotel. (MORALES) says that he (FRANK) has been looking around down there for the past two years. (MORALES) says that (FRANK) is blocking him (MORALES) off, because he (MORALES) has a group with \$4,000,000.00 from the Chase Manhattan Bank, that wants to go down there, but (FRANK) has control of the thing, and has LUIS. DAVIDSON says that (FRANK) has his tongue up the (general's) (SOMOZA) ass. They talk about (FRANK) not letting anybody get into the deal even though (FRANK) doesn't have the money. DAVIDSON says to ask (LUIS) when he gets back who is running the country, (BARRY) or him (LUIS). DAVIDSON asks if this is the same contract that (MCCARTHY) had. (MORALES) says that there are two groups. there is one contract that (MCCARTHY) had, and (FRANK) has one with (JOHN WAYNE) the movie actor for a casino and a hotel. DAVIDSON says that (FRANK) was in New York to see (JOHN WAYNE) two weeks ago. DAVIDSON says that he found out that (JOHN WAYNE) has been trying to borrow money from (MURCASON) (ph), but can't get the time of day. DAVIDSON asks if (MORALES) has some good people and when (MORALES) says, yes, DAVIDSON says that he will help him and he doesn't want anything. (MORALES) says that he has the people with the contract at the Dulles airport, but the trouble is that (FRANK) has (LUIS) by the heels. DAVIDSON says by the balls. They say that (FRANK) has blacked every deal that he's been in and has never made a quarter. DAVIDSON says that one of the reasons that he (DAVIDSON) fell out with (FRANK) was that (FRANK) wanted part of DAVIDSON's commission on the Arms Deal. DAVIDSON says that he was risking his ass, running to Cuba and (FRANK) said that he DAVIDSON gave the (general) some money (on the deal). DAVIDSON says that he told (FRANK) he didn't give the general anything, that the general learned it, and DAVIDSON said that "I had the permission from the President? to do it." DAVIDSON says that he (FRANK) is not the most wonderful man, and is not Mr. KENNEDY.

Set out below is a more detailed version of call at 5:33PM (Nic 689) (S)

5:33PM (Gneral JULIO C. MORALES) and IRVING I. DAVIDSON (S)

12-10

2-?

(S) DAVIDSON says that 5 or 6 persons have called him but he (DAVIDSON) knows nothing about the military as he is only an economic agent. (MORALES) says this was probably the guy that called me. DAVIDSON (S) says (URET (ph could be SURRET), "he will call you". (MORALES) asks (S) what "he" (URET) wants and DAVIDSON says- I don't know. He wants (S) to ask some questions about what is going on in Nicaragua. I think (S) he is a very solid citizen. He is respected by Major GUTIERREZ (ph) (S) and by (MARQUEZ STERLING. (MORALES) asks if DAVIDSON knows him. (S) DAVIDSON says yes. (MORALES) asks if he can talk to him (URET) (S) DAVIDSON says -yes, completely honest. DAVIDSON says he once lent him and another man a \$1000 because they wanted to do somethings. I did not give them the money to do anything wrong or violate the rules of the United States. Something happened and things did not go right. Anyway, the Cubans told me that these men did what they were supposed to do. So he is honorable. When a man is trustworthy with money you can talk to him. (MORALES) says good. (S)

(MORALES) then says-, What about that letter. DAVIDSON says he is (S) writing it right now. (MORALES) says he is asking because he is (S) very much interested in getting that contact back but does not want to say anything on the phone. (MORALES) says he is trying to (S) get "you and I" into something along the same lines "you" just talked to "me" about. (MORALES) says he wants DAVIDSON back "there" (S) (in the good graces of (LUIS SOMOZA) "so we can do something". (S) DAVIDSON agrees and says he wants to be back and says that he is not mad at anybody. (MORALES) says "it is in my hands now to do it and (S) I want to do it to the right fellow". DAVIDSON is pleased and (S) says "lets stick together through thick or thin". (MORALES) says that (S) is why I want that letter. DAVIDSON says ok. (MORALES) says send the letter personal, as he wants to talk to "that fellow" next week, Tuesday or Wednesday. DAVIDSON says for (MORALES) to tell "him" (S) (SOMOZA) "you" have a copy of the letter. DAVIDSON says he will (S) send it to (MORALES) home or to the office marked personal. (MORALES) (S) agrees. DAVIDSON asks if the secretary of (MORALES) opens his mail. (S) (MORALES) says she doesn't. 4:45PM Call Continued

To (LUIS SOMOZA) (S)

Dear (LUIS) (S)

Your many congressional friends in Washington were distressed that they did not have an opportunity to your recent visit to reciprocate to you and through you the people of (Nicaragua) (S) for the many kindnesses you have rendered them personally. A luncheon had been planned in your honor in the Capital to render public thanks. I am personally distressed that for some reason you were not able to meet officially with the first family. Unhesitatingly I say to you that had I the opportunity to meet with you I could have arranged such a meeting for you informally, such as the President Eisenhower (Tachito (ANASTACIO SOMOZA)) (S) meeting. I feel that this type confrontation is much better than formal protocol diplomatic meetings which are usually time wasters. Should you desire presidential appointment during your next visit which I understand is in the near future, please advise me and I will arrange it for you.

Your (Military Attache) will confirm to you, I think, that I (S) was successful ~~that~~ after much difficulty in preventing a leading international columnist in writing about your recent visit to Washington. The columnist, together with many other people in Washington, felt that an (ex-President) and power in (S) (Latin America) should not be subjected to the embarrassment of (S) slinking about Washington.

(LUIS) as a friend and a good American, I beg you to forget (S) the unpleasantness of your last visit to the United States. ~~Give~~ Give a ~~great~~ grateful and understanding friend of your family personally and a friend of the (Nicaraguan) people an opportunity (S) to have your friends and the government of the United States to reciprocate to you in some small way for the great friendship you and the (Nicaraguan) people have always shown to us. I am (S) aware that the (Ambassador) must conduct affairs according to (S) established protocol and is ready to ~~suggests~~ accept suggestions of the State Department on how to handle your visit to the country. If you are satisfied with these arrangements so am I. However, I am still wanting to arrange an informal visit through my friends. It is well known in Washington by Republicans, Democrats and the Kennedies, that I supported LYNDON JOHNSON and NIXON in the last election. It is also well known that I am a close friend of JIMMY HOFFA but because I make no bones about my friendship with people in all walks of life I enjoy the position of trust and the friendship that I maintain in Washington, including the pre-
