8/20/63 (NIC) SUMMARY (WF 970-S*) (S)

10:50 am (S) Dr. (RIZO) to Mr (FISHER) (ph). (RIZO) says that he has had a request from the Ambassador to contact (FISHER) since they at the (Nic Em) (S) Embassy are interested in the status of the proposed law (S) HR 4198, apparently being handled by the Ways and Means Committee in Congress. (FISHER) says he hasn't heard anything (S) recently on this, but will check and get info to the (Embassy) (S) (Spanish) (S) FJD

10:56 am (S) (MARY GARDNER, Internat'l Liaison, to Mrs (SIMON) advising her (S) that with regard to (General MORALES) trip on 8/22 to Atlanta, (S) the official dress is (Summer uniform, regular. (S) FJD

11:30 am (S) (DANILO SANSON) to ("Jackie" MOORE) (ph), at (Rosemary) Apts (S) (East-West Hiway) arranging to meet her tonight in front of her place between 5 and 6pm. (S) (FJD)

12:10 pm (S) (GENERAL MORALES) to IRVING DAVIDSON. (S) (MORALES) said that he wants to get down to Miami, get some (S) money down there and wondered if DAVIDSON's friend would allow him 120 days instead of 90 for \$3,000.00 - that he has 2 or 3 houses down there that he's interested in. DAVIDSON said he would ask his friend but told (MORALES) to be careful in (S) houses because that was a distressed area. (MORALES) said that (S) he had a good friend down there in the real estate business who would not hurt him and added "your friend down there, the one who's with his family there is so anxious to get something" that he, (MORALES), couldn't see the sense of passing up a chance (S) to make a couple of bucks on "him" (apparently referring to Ambassador SEVILLA SACASA). DAVIDSON asked (MORALES) if "he" (S) was anxious enough to do business with him, DAVIDSON - what did (MORALES) think? (MORALES) replied "Well, down there - yes. (S) .. but without you - no, I can do it for you" DAVIDSON said that he was just asking what (MORALES) thought himself, if he, (S) Davidson, came to "him" with a deal and asked if (MORALES) knew (S) that "he" got all "his" money back but 11 thousand. (MORALES) (S) knew this. DAVIDSON continued that he didn't want (MORALES) (S) fooling around for just 2 or 3 thousand dollars because if he made one mistake, he had lost money. (MORALES) answered that (S) he had to do something before something comes up - and that as soon as he had left DAVIDSON's coat tail, he hadn't been doing anything, so he had to do something - and again asked DAVIDSON to find out from his friend about borrowing money

8-20-63 (NIC) SUMMARY (WF 970-S*) (S)

12:10pm (MORALES) to DAVIDSON (Cont'd) (S)
(Cont'd) DAVIDSON told (MORALES) that his best friend in Miami owns the (S)
(Miami National Bank, LOU POLLARD (PH), and that Mr. HOFFA gave (S)
(POLLARD (PH) 4 million dollars to buy that bank, so therefore (S)
he, Davidson, was very strong in that bank, so he could help (S)
(MORALES) there. DAVIDSON said that he could call (POLLARD) (S)
and when (MORALES) was in Miami, he would give him appraisers (S)
and everything and it wouldn't cost (MORALES) anything. (MORALES) (S)
said that he wanted to have the money anyway in case he needed (S)
it. DAVIDSON said that (MORALES) could go to the bank and have (S)
it in an hour, but (MORALES) said that he didn't want to appear (S)
that he was buying a house, because if he did then (Nicaragua) (S)
will think that he is making a lot of money. DAVIDSON said (S)
that he would ask his banker - (Security) Bank - saying that (S)
they could loan him, Davidson, a hundred thousand. (MORALES) (S)
asked DAVIDSON to let him know so that he can go on Monday
before he goes to Miami on Tuesday.

FJD

and wanted to show him a letter - something he rec'd from (S)
State Dept. She wanted to know where (the General) could pick (S)
him up on that date. He told her to make it at the River

FJD

3:40pm Unident Doctor to (General MORALES). (MORALES) says that he rec'd (S)

which the Dr. will have to brush up on his (Spanish). Personal (S)

11:06 am (General JULIO MORALES) ID from New York, to Mrs. (SIMON.) (S)

1-IC
27-52 (S)

He advised her he had just arrived in New York and asked for any news of importance. She advised him there was nothing received from (Nicaragua). She told him that (IRVING DAVIDSON) had called and that the latter was in Pittsburgh and probably en route to New York. (The General) asked her to advise (DAVIDSON)'s secretary that he, (MORALES), was in a hotel in New York.

He also asked her to contact Mr. (GARCIA) and advise that he would be in the hotel up to six o'clock and try to contact him.

(MORALES) in addition, requested that she get in touch with (GUTIERREZ) and advise (GUTIERREZ) that there was no information as to who was financing the project relative to the proposition (GUTIERREZ) furnished (MORALES) to show (SOMOZA) concerning the building of an arms factory. (MORALES) told her to tell (GUTIERREZ) that the first thing (General SOMOZA) would ask (MORALES) would be who was financing the project and if it was financed here in the U.S. there probably would be a good chance of it being accepted.

Mrs. (SIMON) subsequently called (IRVING DAVIDSON)'s secretary advising her of (General MORALES) location.
