Re Bureau letter to Miami with copies to Tampa, dated 6/11/64, under the above caption.

Referenced letter referred to report of SA JOHN H. MILLER, dated 5/22/64, at Tampa, concerning ROBERT RUTGER BRAUER, IS - CUBA, wherein on Page 7 it is indicated that TP 139-S advised on 4/27/64 that during the course of a picnic on the previous day at Tampa BRAUER made the statement that he had received a letter from a Colonel MOODY in Miami, and MOODY allegedly was involved in an invasion of Cuba with an army of refugees in May or June (presumably 1964.).

Miami indices were found to be negative on any Colonel MOODY identifiable with Cuban affairs at Miami. Further, his name had not come to the attention of Agents working Cuban matters in the Miami Office.

Inquiries made of MM 492-S, MM 635-S, MM 639-S, MM 873-S, and PSIs JOSE T. MEDINA and ARTURO GONZALEZ GONZALEZ resulted negatively in learning the identity of Colonel MOODY.

On July 16, 1964, GERALD PATRICK HEMMING, 1036 Southwest 5th Street, Miami, Florida, a U. S. citizen who has been involved in Cuban revolutionary activities since 1959, stated that he had no personal knowledge of a Colonel MOODY, but perhaps MOODY is identical with Colonel REYNOLDS MOODY who frequently writes letters to the Editor of "The Miami Herald," at Miami, Florida. HEMMING stated that he had no knowledge of MOODY's being involved in Cuban exile activity at Miami.

sibility as extremely remote since he is reportedly a paraplegic. She said it is her understanding that his condition is not a result of military service but rather a result of "bends" while skin diving. She said he may, however, receive a partial disability pension from the government as she does not believe he has any employment. She said his wife's name is ALETA ~~X~~ Moody

The foregoing is furnished Tampa for possible assistance in establishing the identity of captioned Colonel MOODY.
