they are merely following the activities of this organization and do not contemplate any positive action to be taken in this matter in the immediate future.

MM T-1, referred to in letterhead memo, is MM 492-S, who furnished information to SA JAMES D. HAYES.

MM T-2 is MM 639-S, who furnished information to SA ROBERT JAMES DWYER.

MM T-3 is Lieutenant Colonel OSCAR DIAZ, 1015 S. W. 9th Avenue, Miami, Florida, former member of the Cuban Veterans Association, (protected by request), to SA GEORGE E. DAVIS, JR.

The Miami Office is not conducting any active investigation at the present time in connection with captioned organization; however, is following its activities through the coverage of informants. It is the opinion of the Miami Office that this organization is relatively insignificant due to the fact they have not publicized any activities, and that it was originated by ROLANDO MASFERRER, who is not well regarded by many anti-FIDEL CASTRO persons, as well as pro-CASTRO sympathizers.

Newark, New York, and Washington Field are requested to contact logical sources and informants familiar with Cuban affairs, in order to furnish any additional information available regarding captioned organization.
