ADOLFO MAJEWSKI
Real Estate Salesman
3354 Mission Street
San Francisco, California
(11/16/60)

MAJEWSKI, who has knowledge of Nicaraguan activities in the San Francisco Bay Area, advised that HUGO GONZALEZ and GUILLERMO MARENCO LACAYO contacted him on November 14, 1960, and discussed with him the political unrest presently prevailing in Nicaragua.

By a suitable pretext interview conducted by a Special Agent of the Federal Bureau of Investigation on December 8, 1960, it was ascertained from the landlady of the dwelling located at 3350-24th Street, San Francisco, that HECTOR GONZALEZ and HUGO GONZALEZ were one and the same individual.

FERNANDO MENDOZA
2154 18th Avenue
San Francisco, California
(12/15/60)

MENDOZA advised SAs WILLIAM A. COHENDET and VADJA V. KOLOMBATOVIC that HECTOR HUGO GONZALEZ departed from San Francisco by air on December 6, 1960, for San Salvador to join the liberation movement of INDALECIO PASTORA.

LA T-3 (2/16/61)

During the previous week LA T-3 received a letter from a contact of his in El Salvador. This letter enclosed a photograph of the body of a man he believed to be [HECTOR HUGO GONZALEZ.] (S) The letter pointed out that [GONZALEZ] had been captured by the SOMOZA troops in Nicaragua and had been tortured and killed. His tongue had been cut out, and his body bore evidence of his having been brutally tortured. (S)

GUILLELMO MARENCO LACAYO was at this time residing with JOAN JORDAN, a member of the San Francisco Branch of the Socialist Workers Party (SWP), at 77 Bradford Street, San Francisco. MARENCO recently stated that he now wanted the SWP to openly support the Liberacion Democratica Pro-Nicaraguan (LDPN) a San Francisco anti-Somoza organization. This, according to the source, was completely contrary to the policy of the LDPN, as well as to the wishes of the SWP. JORDAN had been severely criticized by the SWP for her association with MARENCO because the SWP felt that she would hurt the cause of the LDPN if it gained the reputation of being associated with the SWP.

On March 22, 1961, LA T-3 advised that he had recently received a communication signed by [HECTOR HUGO GONZALEZ] dated March 15, 1961, wherein [GONZALEZ] gave his return address as [R. RAMIREZ, care of Octavio Lara, Calle P. C. Number 206, Barrio La Plazuela] Tegucigalpa, Honduras. LA T-3 advised that the receipt of this letter was a great surprise to him because of the fact he had recently seen the photograph mentioned above, and had received news that GONZALEZ had been captured and killed by the SOMOZA troops in Nicaragua.

LA T-3 further advised that the possibility existed that someone was merely using [GONZALEZ]'s name; however, from the contents of the letter, it appeared that [GONZALEZ] was alive and that the information previously received about his being killed was not true and that the photograph of the body previously seen by the source was that of someone who resembled [GONZALEZ]. In his letter, [GONZALEZ] told of the then recent expedition into Nicaragua which ended disastrously. LA T-3 also received an authorization signed by [FABIAN RUIZ MALRENA] and [HECTOR HUGO GONZALEZ] which enclosed a summary of the revolutionary fight in Nicaragua. This authorization gave the right to translate the whole or part of the study. The material referred to consisted of two pamphlets in the Spanish language. One, entitled (as translated): "Bloody Intervention - Nicaragua and its People;" depicted on its cover is a soldier bearing
