AIRTEL

AIR MAIL

TO: DIRECTOR, FBI (92-3267)  
 FROM: SAC, LOS ANGELES (92-113 C)  
 RE: JOHN ROSELLI, aka  
 AR

Re Bureau airtel 12/4/62 authorizing Los Angeles to submit airtels twice weekly in lieu of daily teletypes.

ROSSELLI returned to Los Angeles 12/6/62, on which date he told LA 4268-C that he had just got into town that day. ROSSELLI asked informant how he was going on his deal with GEORGE SEEDMAN (SEEDMAN represents Rowe Vending Company and has been negotiating with informant relative to informant working for SEEDMAN. SEEDMAN has told informant that his (SEEDMAN's) superior is one PAT O'MALLEY of Chicago).

ROSSELLI told informant that he was back "there" and checked and there is no PAT O'MALLEY; that he had been talking to the "big guy" back there. ROSSELLI asked informant how many vending machines GEORGE SEEDMAN has and when informant said about 4,000, ROSSELLI replied that he had just left a guy who has 10,000 machines.

ROSSELLI then asked numerous questions about SEEDMAN's operations and requested informant to obtain all the information he could relative to SEEDMAN's operations. Informant told ROSSELLI that SEEDMAN had been having some trouble in one of his spots and O'MALLEY was coming out to fix it up. ROSSELLI replied that "O'MALLEY can't fix anything-- that's done up north." (The meaning of the latter part of this statement is unknown.)
