1:10 PM

DORIS and (BOB) (?) hold short conversation.
DORIS goes over food items served last night. She mentions that MOE, GUSSIE, GUSSIE'S girl, BUTCH and others, about 10 or 12, were in for food last night. DORIS tells what they had to eat and comments that they ate like vultures.

2:04 PM

MARTY (ACCARDO) (?) and UNIDENTIFIED MAN

GENE

The discussion centers around a former customer of MARTY'S, named CHARLEY, who had a nervous breakdown. CHARLEY owed MARTY 3 bills. *Gene* asks MARTY if he got his money. MARTY says the guy kept stalling him, but he finally received the money. MARTY described CHARLEY'S strange behavior before the breakdown and he says he thinks it was all brought on because CHARLEY thought he had cancer.

DORIS approaches from the distance and joins the conversation.

Gene
MARTY and the *Gene* continue their conversation about CHARLEY. MARTY says that once a month he used to get together with CHARLEY for dinner, and that sometimes JOE and JOHNNY would join them. (Although it is not specifically mentioned, it sounds as if CHARLEY committed suicide). MARTY comments, that he was nervous and it was the quickest way for him to get out, that CHARLEY left a note, and that they knew he was going to do it. DORIS comments, well at a time like that he was temporarily insane. MARTY comment that there was really nothing to the cancer deal.

2:13 PM

Gene
The UNIDENTIFIED MAN then proceeds to tell a story of and individual who he knew who thought he had cancer. He mentions that this was right after World War II. This individual thought he was going to die. He planned some robberies and bank and payroll jobs. About two weeks before the jobs, his wife came down with a strep throat and the doctor was called in. The doctor examined this individual and it was determined that a simple operation would cure his difficulties. This individual commented to the *Gene* that if it wasn't for his wife's cold he might have been killed in one of these robberies.

DORIS asks GENE where he is going. GENE says, I have to go, my little cousin, they took his drivers license, and I'm going to the Secretary of State's Office and get him a temporary one, they suspended it. DORIS tells GENE that DINO wants to talk to him, but DORIS says she didn't know what it was about. GENE asks DORIS if she told DINO about the message that GENE left him.

MARTY mentions that on the 25th, at 5:30 PM he has to go over to the traffic court at 321 North La Salle Street, room 3. MARTY says he would like to know what judge was sitting in the court. GENE says to tell him what the room number was and he could find out who the judge would be. GENE says the ticket is out in the car.

DORIS tells GENE that DINO is about to lose his buildings. GENE says yeh, that's a shame. GENE says that maybe he will stop back on the way home and see DINO.

GENE leaves

DORIS makes a few loving comments to ADOLPH, the dog.
