P.M. 5:07	rjb <i>MB</i>		<p>WILLIE WEISBERG, posit. voice ident., entered the office and went into the back room with ANGELO BRUNO. Hurriedly said something about the Commissioner (of Police?).</p> <p>WW: They asked what I know about ANGELO BRUNO. How do you know?. Look, the Internal Revenue knows, EDGAR HOOVER knows, TREASURY knows. I said, look, whatever he's doing is his own business. Don't say, you know. Look, you locked me up. You followed me with the walkie-talkies. I did. I said, my lawyer knows all about it. I run one guy around. I said, sergeant, you are a good sergeant. He got in my room after me. You fellows fell into a trap. My attorney, I won't mention his name, told me to use this telephone and make a date with somebody out of town, and told me where to make it, and sure enough you listened and you caught me and trapped me. You followed me. I wasn't undressed. This girl wasn't undressed. Whatever this guy said I don't know It's alie. I'll get the night man. I gave ten dollars to him in tips and I charged it to STANDARD-TOC. So whatever is on their mind, I don't know. You have a job to do, but don't bring me up like this... You talk about this MR. LEVY. I did know that he was in business down South, but about this I don't know. Do you ever see him? Yeah, I see him... But as far as him being in with me... You're trying to link all of this business with me to ANGELO BRUNO. You're talking up the wrong tree. I'm not going to tell you about your city. You got no organized crime here. If I have to answer, there is no organized crime here. HARRY (STROMBERG is in jail. So they are picking on me. I'm the only Jew. Who else are they going to pick on. That's how I said it. He said, well, I wouldn't be that abrupt. But I said, I am that abrupt. To me it don't make no difference. I'm a Jew, pal, that's the only thing. I'm the only Jew, so you are picking on me. What you want from ANGELO BRUNO, I don't know. But I read in the papers, you could vomit. It's obnoxious. He took ... I never heard of those things. He can answer for himself. And I'll tell you, we're good friends. He deals in cigarettes. And he knows they do. It's legitimate, isn't it? What do you think he says? Not for you and him. Me and you. I said, me and Him? I said again, Commissioner, I wished I was in it. I ain't</p>

P.M.	rjb <i>AKB</i>		<p>Cont'd. from Page C:</p> <p>WW: doing a G.D. thing. What I'm doing, I'm dying. You know what this means to me, this business. I got blood in there. I got over forty thousand in there. It's a matter of record. The Internal Revenue knows it. They took it off my books. They know when I put it in. I put it in by check. They are checking me. I know what they are doing to me. And I can't make a (obscene) nickel. The fellow said, don't you be cursing here. I said, well, I'm a little excited. Anything else on your mind, Commissioner, can I go? He said, yes you can. But he said, I'm telling you know, anybody you salute, like you do on 17th Street... Oh, I said, that common s.o.b. I solicit him? He's soliciting me. He asked me if a friend lives here. Is he here? I said, no he's not here. You better leave him alone. I said, he stopped me. He asked me if, I said, I got nothing to do with those cigarette machines. I'm in the linen business. He said, don't go near him. I'm telling you now. He didn't make a complaint. His cousin made the complaint. Well, I know the other punk too. This one kid, I'm telling you, I know who he is. He stopped me. I told him, I don't have nothing to do with the cigarette machines. He said, did you talk to HERMAN? Oh, this went on nearly two hours. I said, which HERMAN do you mean? I know two or three, which one, I said. The only one that I know real well, he drives a truck. He said, where. I said, for GOLDBERG. He said, you don't know HERMAN TAYLOR? I said, yeah, oh, on Broad Street. I said, what about him? He says, are you in with him? I said, oh, no. Commissioner, what do you want from me? Tell me what you want. I wished I was in with these fellows. You fellows tell me I'm in with these cigarette fellows, you wanted to know who his musclemen are, you ask this, you ask that. These people tell me. I got nothing to do with cigarette machines. I said, I would tell you. Listen, I wished I did have something to do with it. I can't work on a profit no more. But people who have it, I got nothing to do with them. I got to know from him. Do you know from him? Commissioner, I don't know what you want? Why don't you get ahold of him. He'll tell you what he's got. It ought to be a matter of record what he's got. He must have a license. Well,</p>
