This informant is a white, male, native American, age 38, who is a photographer by vocation and is employed by a CASTRO news medium at New York City. ~~(u)~~

He is currently a member of the FPCC, concerning whose membership and activities he furnished information and photographic coverage. He is a source concerning the Cuban news agency Prensa Latina, subject of intensive Bureau investigation at this time. ~~(u)~~

He furnishes information of value concerning the following organizations, subjects of Bureau cases and the individuals affiliated with them: ~~(u)~~

~~(u)~~ ~~(S)~~

- Monroe Defense Committee
- Committee to Aid Monroe Defendants
- Liberation Committee for Africa
- United States Friends of Cuba
- SWP - NY Local
- MLPR
- Prensa Latina

Of unusual value is this informant's ability to furnish information concerning new and "ad hoc" organizations of Bureau interest. He also has entree to groups of a national and racial composition which would preclude ready access by Bureau Agents. ~~(u)~~

It should be noted that the informant's brother-in-law is Cuban and there would exist a hostage situation if NY 3164-S should testify. The informant has stated, in addition, that public testimony by him would impair his ability to earn a livelihood in the news field. ~~(u)~~

~~(S)~~ The loss of this informant would undoubtedly compromise NY 3400-S and result in the loss of valuable coverage in broad areas of Bureau interest. ~~(u)~~

He has also attended meetings of the Monroe Defense Committee. He is personally acquainted with FPCC leaders and is paid for his services by the Bureau on a regular basis. (u)

The disclosure of this informant would principally effect coverage of the FPCC by the New York Office. (u)

The informant has advised that he would be willing to testify but that he has reservations about doing so in view of the fact that his father resides in Cuba. The informant also pointed out that he has an uncle who presently resides in Czechoslovakia, and he fears that his disclosure by testimony could result in more trying conditions for his uncle. The informant presently sends financial aid to his uncle in Czechoslovakia. (u)

It is believed the informant would make a good witness, but the New York Office does not wish to consider him available for testimony at this time. If this informant's testimony became vital to the prosecution of this matter, the New York Office will re-evaluate this informant. (u)

This informant was active in the SWP in Chicago from 1944 to 1951, and from late 1953 to the present time. In 1957-58, DUFF was interviewed by Bureau Agents and he furnished signed statements concerning his past activities and those of others known to him as members of the Young Communist League and the CP.

DUFF is unwilling to testify inasmuch as he does not want his past associations to become known to members of his family and his employer.

In the past, the Newark Office has requested authority on two occasions to develop DUFF as a PSI, but authority was denied by the Bureau. The Bureau pointed out that inasmuch as DUFF had been indicted on three counts by New York City authorities on June 10, 1932, consisting of blackmail, attempted extortion, and sending threatening letters, his development could cause embarrassment to the Bureau.
