Legat Paris has requests outstanding with the DST, DGSE, and Prefecture of Police regarding all documents supplied by fax to Legat Paris. Each agency has advised that decisions must be made at high levels (for example, DGSE's Director must review the matter, and he is currently out of town; the package for the Prefecture of Police had to be conveyed in the form of a written formal request and hand-delivered to the Prefect's Office). We note that the Sureté Nationale no longer exists.

Legat Paris will follow this matter closely and report results as received. However, FBIHQ should bear in mind that the problems of old archived documents, compounded with the need for translation, will cause certain inevitable delays.

We greatly appreciate the responsiveness of the task force in helping remedy problems of poor quality or partially conveyed documents.

Regards,

Becky Bosley ALAT Paris
